The meaning of Christmas is getting together and giving presents and eating treats. The family tradition I do is setting up the tree, decorating the tree with ornaments, lights and the star. Then we decorate the house and the outside of the house and open presents.

I make homemade chex mix with my dad. We put A lot of different things into it. It's so fun and my dad puts out lots of little Villages when me and my sister did the tree she got on my shoulders because she only wanted to do the high ones. Its so funny she also fell. Christmas means A lot to me, it means family ,love and just so much more. I love my family.
