

# SELCO to open second full-service branch in Redmond

**BY TIM TRAINOR**  
Redmond Spokesman

SELCO Community Credit Union is doubling its footprint in growing Redmond, with the May 9 opening of a new branch in North Redmond.

Located at 255 NW Oak Tree Lane, the freestanding location is immediately north of the Walmart Supercenter. SELCO will continue to operate its current Redmond branch, which opened in 2007 at 825 SW 17th St.

The new location replaces SELCO's previous limited-service branch, which operated from 2009 to 2020 inside Walmart. It makes SELCO the only credit union with multiple Red-

mond branch locations.

"It's no secret that Redmond is growing quickly. But our community — as well as northern Deschutes, Crook, and Jefferson counties — has been largely underserved when it comes to banking institutions," said Tim Dizney, manager of SELCO's new Redmond location.

The location will include 24-hour ATMs, two drive-up lanes, teller services for traditional transactions and investment, retirement, insurance and mortgage representatives available by appointment.

The business will be open Monday through Thursday from 9:30 a.m. to 5:30 p.m., and Friday from 9:30 a.m. to

6 p.m. Drive-up hours will Monday through Thursday from 9 a.m. to 5:30 p.m., and Friday from 9 a.m. to 6 p.m.

An open house is scheduled for the week of May 9-13 with daily prizes, snacks from local restaurants and bakeries, branch tours, featured nonprofit community partners, and more.

Each day, the open house will recognize a different community partner that SELCO supports, including the Redmond Chamber of Commerce (May 9; ribbon cutting at 4 p.m.), Jericho Road (May 10), NeighborImpact (May 11), KIDS Center (May 12), and J Bar J Youth Services (May 13).

Newcomb said the VFW Post obtained a \$1,000 community service grant and that post membership donated another \$750. It is important that Korea and Vietnam era veterans are honored as they should have
