

PET OF THE WEEK

Meet Casper!

This adorable hunk of a pup came to Brightside as a stray and now is looking for his forever home. Casper is an adorable one- to two-year-old Great Pyrenees who weighs in at 84 pounds. While being with staff, Casper has shown us that he is an active and energetic job-seeker who loves to be playing or running around busy.

When it comes to Casper's sociability, he is a lover of all and definitely shows us that he is everyone's best friend while he is here. As we don't know his history, we are not sure how Casper does with cats and require an introduction with him and other dogs to ensure an easy home transition after adoption. This bubbly love bug's personality can be described as affectionate, charming, confident and at times very goofy. As Casper came to us as a stray, we don't know anything about his history and we will do our best to make updates about him as he spends time here.

If you are looking for an outgoing and active boy ready for adventure, come meet Casper today.

BY NICOLE ROGERS
For The Spokesman

Name of truck: Nonna's Cucina
Owner: Ashley Dolinar
Location: General Duffy's, 404 SW Forest Ave
Hours: 11:30 a.m. to 8 p.m. every day
Opened: February 2020
Type of food: Italian

About the cart: Nonna's Italian options range from ravioli to a chicken pesto sandwich. They make their food from scratch and locally source many of their ingredients. Most of the recipes are from Dolinar's "nonna" Janet Dolinar, which were passed down through the family for generations. Janet is a second generation Italian-immigrant and her granddaughter Ashley described her as a "typical Italian lady, always asking if you're hungry." Ashley put her own spin on her nonna's recipes for the truck. They food is all organic and there are gluten free, vegan and vegetarian options. Recipes are available for Sungrounded Farm in Terrebonne, Deschutes Gourmet Mushroom, The Village Baker in Bend, and Camas Country Mill in Eugene.

First order should be: Dolinar suggests spaghetti and meatballs. She says the meatballs are her nonna's recipe. The order comes with a side salad and she recommends a side of garlic bread.

Fun Fact: Dolinar says that these are family recipes from the Parma region of Northern Italy. There is a factory located there where they get their parmigiano reggiano, a type of Italian cheese. She says that they can only get it from Parma. Dolinar says that her "super extended" family in Italy works in this factory.

Redmond seat open on Soil and Water district

Deschutes Soil and Water Conservation District has two board positions available that need to be filled for the election in November 2022.

That includes zone 1, the Redmond area, and zone 4, which is around Alfalfa. The elections are 4-year terms.

To run for these positions, candidates must reside within the boundaries of the conservation district, be a registered voter in the district, be involved in the active management of ten or more acres of land within the district, reside within the zone that is represented, actively manage ten or more acres in the district boundaries and reside within the boundaries.

At this point, these positions are open for write-in candidates. Individuals may file a declaration of intent and request to write-in votes cast on their behalf. Candidates must file this form no later than 5 p.m. on Oct. 25.

If you need more information about the process to run for these positions, contact Erin Kilcullen at ekilcullen.dswcd@outlook.com or (541) 550-6834.
