Deschutes County to hold 2040 Project open houses

Spokesman staff report

Deschutes County planning staff has scheduled four meetings to provide information about the future growth and development in rural areas of the county.

Since 2010, the population of Deschutes County has grown by more than 25%, the Deschutes County Community Development Department said in a news release on Wednesday. In response to that growth, the county is inviting the public to discuss key issues, challenges and opportunities facing rural Deschutes County, and a vision for the future.

Each of the four events — in Bend, Sisters, Sunriver, and Redmond — will follow the same format, so there is no need to attend all four meetings, the release said.

• The Sisters event will be from 4 p.m. to 6 p.m. Oct. 20 in the Lecture Room at Sisters High School, 1700 W. McKinney Butte Road.

• In Redmond the event will take place from 6 p.m. to 8 p.m. Oct. 25 at Redmond City Hall, 411 SW Ninth St., in rooms 207 and 208.

For those who cannot make it to one of the events in person, an open house and survey will be available on the county's website beginning Oct. 19 and will remain open through Nov. 4, the release said.

For members of homeowners associations, social organizations or a book club, there is an opportunity for a more personal meeting with county staff to discuss the future of Deschutes County. To participate, email deschutes2040@deschutes.org.

Deschutes County planning staff has scheduled four meetings to discuss growth in the county's rural areas.
