PET OF THE WEEK

Say hello to Atlas! This handsome 4-year-old German Shepherd was transferred to us from an overcrowded shelter and now we are working hard to find him his new, forever home. As Atlas was a recent transfer and is new to the area, and shelter, we have limited information on this loving pup. We will work on making updates as Atlas spends time here at BrightSide. Our staff and potential adopters describe his personality as bubbly, curious, and sensitive. Atlas is an energetic and playful pup who loves to stay active, he would benefit from an active an adventurous adopter ready to explore with a furry companion. Our staff, in the short time we've known him, can tell he would benefit with a smaller family as he prefers to bond with a few people instead of a big group. If you are ready for an adventurous and perfect pal, come meet Atlas today.
