

FUN IN & AROUND REDMOND

Rimrock Taphouse

Boasting a 50-brew range of options to choose from, including everything on the beer spectrum from ciders to porters. Rimrock taphouse is the perfect spot to sample brews from all across the Pacific Northwest. For those more into cocktails, they have a selection of wine and liquor as well. Along with a snack menu, food trucks can be found parked in their fire-lit patio. www.rimrocktaphouse.com

Porter Brewing Co.

Specializing in English-style cask ale, Porter opened in 2018 in the Jackpine Industrial Complex in northeast Redmond at 611 NE Jackpine Ct. #2. "We're offering something different. We're serving only cask ale. That's kind of a niche in the market," said Avara Roberts, who opened the three-barrel brewery with her husband and head brewer, Deven Roberts. www.porterbrewingco.com

Over the Edge Taphouse

Aptly named for being on the outer edge of Redmond, Over the Edge is located in Crooked River Ranch. Its 1,500-square-foot space includes a number of food carts and fire pits and dozens of taps to choose from. They also book space for events and have a concert series each

summer. www.theedgetaphouse.com

Beer Stop

Nestled along Highway 97, the Beer Stop can be a one-stop-shop for a wide array of bottles, cans, and taps. Fill your growler or take some brews to go, featuring super-local, national and even international offerings. www.linktr.ee/beerstopredmond

Eqwine Wine Bar

For more refined tastes, Eqwine Wine Bar offers an ever-changing inventory of Pacific Northwest wines and craft beer. The perfect spot for casual tasting and small bites on their cozy outdoor patio. If the wine need is greater, they also offer a wine cart available to rent. www.eqwine-wine.com
