

CHALLENGE Show your support of LOCAL BUSINESSES Spend \$100 in \$2 bills

There are more than 200,000 residents in Central Oregon. If just 10,000 residents each committed to spending \$100 locally — instead of shopping online, that would mean \$1 million injected into the local economy, which would help local business owners weather the current economic storms.

Studies show that each dollar spent locally turns over 4 times ... \$1 million turns into \$4 million as it works its way through the hands of local residents.

OUR CHALLENGE TO YOU

Spend an extra \$100 locally this holiday season, instead of spending it online.

HOW TO PARTICIPATE:

- 1. Head to one of the local banks listed below, and ask them to convert your \$100 into \$2 bills.
- 2. Use your \$2 bills to show local businesses you care.
- 3. Email us at 2dollarchallenge@redmondspokesman.com to let us know how you spent your \$100 worth of \$2 bills, and get entered into a drawing to win a \$100 gift certificate to the local business of your choice!
