American Drums Excel.

"Ever know that Americans were the greatest drum makers in the world?" said a man in the business. "Fact. Not only do they make the most drums, but they make the finest drums too. And there's a great deal more to the manufacture of a drum than you would think. Of course the cheap variety doesn't amount to anything. They're simply toys. There is just as much difference in drums as in any other musical instrument, though most people wouldn't think so. The drums required in orchestra and band work have a certain sharpness of tone, while those used in corps and military work must have a duller tone, and the drum must not be so sensitive to the touch. "And how many parts do you think a well made drum consists of? Wrong. It has 248 pieces, not including sticks, hooks and belt. Everything must be of first quality, too, for a drum must have tone first of all, and it must be constructed to withstand rough usage. Great business is drum making and interesting too."

Perfect Confidence.

Where there used to be a feeling of uneasiness and worry in the household when a child showed symptoms of croup, there is now perfect confidence. This is owing to the uniform success of Chamberlain's Cough Remedy in the treatment of that case. Mrs. M. I. Basford, of Poolesville, Md., in speaking of her experience in the use of that remedy says: "I have a world of confidence in Chamberlain's Cough Remedy for I have used it with perfect success. My child Garland is subject to severe attacks of croup and it always gives him prompt relief." For sale by Brewer Drug Co.

A Nebraska farmer has secured a court order enjoining a balloonist, who is making ascensions from an Omaha resort, from descending on his land. Apparently the balloonist must keep off the earth until he can find a good place to light.

According to a New York paper, a family of seven children has been unable to rent a flat in that city at any price. Apparently the renting business in Gotham is conducted on a race suicide basis.

Chamberlain's Stomach and Liver Tablets. Unequaled for Constipation.

Mr. A. R. Kane, a prominent druggist of Baxter Springs, Kansas, says: "Chamberlain's Stomach and Liver Tablets are, in my judgement, the most superior preparation of anything in use today for constipation. They are sure in action and with no tendency to nauseate or gripe. For sale by Brewer Drug Co."

His Financial Interest.

"I understand Jigson has a financial interest in the concern he is with." "Yes, they owe him six months' salary."

A Cure for Eczema.

My baby had Eczema so bad that its head was a solid mass of scabs, and its hair all came out. I tried many remedies but none seemed to do any permanent good until I used DeWitt's Witch Hazel Salve. The Eczema is cured, the scabs are gone and the little one's scalp is perfectly clean and healthy, and its hair is growing beautifully again. I cannot give too much praise to DeWitt's Witch Hazel Salve. —Frank Farmer, Bluff City, Ky. In buying Witch Hazel Salve look out counterfeits. DeWitt's is the original and the only one containing pure Witch Hazel. The name E. C. DeWitt & Co. is on every box. Sold by Brewer Drug Co.

The characteristics of the blusterer are a killing tongue and a quiet sword.

Escaped an Awful Fate.

Mr. H. Haggins, of Melbourne, Fla., writes, "My doctor told me I had consumption and nothing could be done for me. I was given up to die. The offer of a free trial bottle of Dr. King's New Discovery for Consumption, induced me to try it. Results were startling. I am now on the road to recovery and owe all to Dr. King's New Discovery. It surely saved my life." This great cure is guaranteed for all throat and lung diseases by all druggists. Price 50c. & \$1.00. Trial bottles free.

Various Sources of Silk.

Silkworms are not the sole source of the production of silk. It is also obtained from several vegetable substances, but of an inferior and less durable description. Excellent colored silk is obtained from the prepared and finer fibers of the bamboo, which is much in demand for clothing in tropical countries from its lightness and porosity. Another form of silk is obtained from the pods of the silk cotton tree, of which there are several varieties in existence, the material obtained from them being known as vegetable silk.

Better Than Gold.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by all druggists.

Have You Indigestion?

You will continue to suffer until you do try it. There is no other combination of digestants that digest and rebuild at the same time. Kodol does both. Kodol cures, strengthens and rebuilds. Sold by Brewer Drug Co.

Breaking a Wishbone.

The divining rod is a feature in all early mythology, especially so among the Hindoos. As the forked branch of a tree it indicated in various parts of Europe, Asia and Africa where treasures were hidden or where water might be readily found. From the forked branch of a tree it was but a step to the forked clavicle of a bird, and this bone was soon invested with the power of securing the gratification of the wishes of those who in breaking it retained the forked part, for it was the fork that was possessed of mystic power.

Another Case of Rheumatism Cured by Chamberlain's Pain Balm.

The efficacy of Chamberlain's Pain Balm in the relief of rheumatism is being demonstrated daily. Parker Triplett, of Grigsby, Va., says that Chamberlain's Pain Balm gave him permanent relief from rheumatism in the back when everything else failed, and he would not be without it. For sale by Brewer Drug Co.

The Lowell (Mass.) man and woman who have started to cross the arctic circle in an automobile may unexpectedly bump into the north pole. That illusive feature of the ice regions may be able to dodge a slow going ship, but it will find an auto quite a different proposition.

An Early Risers.

A strong, healthy, active constitution depends largely on the condition of the liver. Little Early Risers are easy to act, they never gripe and yet they are absolutely certain to produce results that are satisfactory in all cases. Sold by Brewer Drug Co.
