### Java's Boiling Lake of Mud.

One of the greatest natural wonders in Java, "the fire island," a large lake of boiling mud, is situated almost in the center of the plains of Grobogana, fifty "pans" to the northeast of Solo. It is almost two miles in circumference, and in the center immense columns of soft, hot mud may be seen continually rising and falling like great black timbers thrust forth and then suddenly withdrawn by a giant's hands. Besides the phenomenon of the columns there are two gigantic bubbles near the western edge which fill up like huge balloons and explode on an average three times per minute.

### Killed by Imagination.

A workman on the Siberian railway was accidentally locked into a refrigerator car and was afterward found dead. Imagining that he was being slowly frozen to death, he had recorded his sufferings with a piece of chalk on the floor. The refrigerating apparatus, however, was out of order, and the temperature in the car had not fallen below 50 degrees F. throughout the journey.

### The Better Way.

"Positively the worst struggle I ever had in the water," said a young man who had been at sea. "was one night trying to save a man with a wooden leg." "Man," said an old Scotchman who was quietly listening, "if ye had got a bit of rope ye could hae saved the man quicker w' it than ye could dae w' ten widden legs."

### That Tickling in the Throat.

One minute after taking One Minute Cough Cure that tickling in the throat is gone. It acts in the throat, not the stomach. Harmless—good for children. A. L. Lpofford, postmaster at Chester, Mich., says: "Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. Three doses of One Minute Cough Cure half an hour apart cured her. I cannot praise One Minute Cough Cure too much for what it has done in our family." It always gives relief. Sold by Brewer Drug Co.

### Yeast of the Ancients.

The yeast employed by the ancients in making bread was probably of the same kind as the Israelites of the days of the great Pharaoh the oppressor used, calling it "leaven." This was what is known nowadays as a wild yeast, its germs or spores being afloat anywhere in the air. A bit of dough was preserved out of each batch prepared for the ovens, and when this was added to the next dough the yeast contained in it quickly spread through the whole, only a little being required to "leaven the whole lump."

### Sick Headache

This distressing ailment results from a disordered condition of the stomach. All that is needed to effect a cure is a dose or two of Chamberlain's Stomach and Liver Tablets. In fact, the attack may be warded off, or greatly lessened in severity, by taking a dose of these tablets as soon as the first symptom of an attack appears. Sold by Brewer Drug Co.

### Thank You.

"Thanks" is a miserable expression commonly used by persons who have not had the advantages of good breeding. Every favor received and civility shown deserves to be recognized, and the smallest acknowledgment the recipient can make is to say or write, "Thank you." The vulgarity of "Thanks" is on a par with the postal card correspondence.

### The Sunshine of Spring

The Salve that cures without a scar is DeWitt's Witch Hazel Salve. Cuts, burns, boils, bruises and piles disappear before the use of this salve as snow before the sunshine of spring. Miss H. M. Middleton, Thebes, Ill., says: "I was seriously afflicted with a fever sore that was very painful. DeWitt's Witch Hazel Salve cured me in less than a week." Get the genuine. Sold by Brewer Drug Co.

### Same Old Reason.

"What was it caused the downfall of the Trojans?" asked the man who has forgotten his classics. "It was the same old story," said the man who was reading the sporting page. "They wouldn't let the horses alone."—Washington Star.

### Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for consumption, coughs and colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, thro' stealing the reputation of remedies which have been successfully curing disease for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all of Dr. King's, or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill. and Windsor, Canada.

### Mistakes.

When you make a mistake, don't look back at it long. Take the reason of the thing into your own mind and then look forward. Mistakes are lessons of wisdom. The past cannot be changed. The future is yet in your power.—Hugh White.

### The Best Physic.

When you want a physic that is mild and gentle, easy to take and certain to act, always use Chamberlain's Stomach and Liver Tablets. For sale by Brewer Drug Co.

### A Forecast.

She—Dearest, we'll have a lot to contend with when we are married. He (absently)—Yes; we'll have each other.—Milwaukee Wisconsin.

He alone has energy who cannot be deprived of it.—Lavater.

### Agonizing Burns

are instantly relieved and perfectly healed by Bucklen's Arnica Salve. C. Rivenbark, Jr., of Norfolk, Va., writes: "I burnt my knee dreadfully; that it blistered all over. Bucklen's Arnica Salve stopped the pain, and healed it without a scar." Also heals all wounds and sores. 25c at Brewer Drug Co's.

### Startling But True.

People the world over were horrified on learning of the burning of a Chicago theatre in which nearly six hundred people lost their lives, yet more than five times this number, or over 3,000 people died from pneumonia in Chicago during the same year, with scarcely a passing notice. Every one of these cases of pneumonia resulted from a cold and could have been prevented by the timely use of Chamberlain's Cough Remedy. A great many who had every reason to fear pneumonia have warded it off by the prompt use of this remedy. The following is an instance of this sort: "Too much cannot be said in favor of Chamberlain's Cough Remedy, and especially for colds and influenza. I know that it cured my daughter, Laura, of a severe cold, and I believe saved her life when she was threatened with pneumonia." W. D. Wilcox, Logan, N. Y. Sold by Brewer Drug Co.

### The Preacher's Closing Word.

The members of the Rev. Dr. Fourthly's congregation settled themselves resignedly in their seats. He had just said, "One word more, and I have done." The doctor looked keenly at them over his glasses for a moment. Then he closed the book in front of him. "Amen!" he said.—Chicago Tribune.

### Happy.

Ethel—How happy Gladys looks tonight! Edythe—Yes, she expects to have a chance to accept Fred or turn down Charley, and she doesn't care which.—Cincinnati Commercial Tribune.

### Grave Trouble Foreseen

It needs but little foresight to tell that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as did Mrs. John A. Young, of Clay, N. Y., did. She says: "I had neuralgia of liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by Brewer Drug Co. at 50c a bottle.

He only is advancing in life whose heart is getting softer, whose blood warmer, whose brain quicker, whose spirit is entering into living peace.—Ruskin.

Chamberlain's Cough Remedy the Mother's Favorite.

The soothing and healing properties of this remedy, its pleasant taste and prompt and permanent cures have made it a favorite with people everywhere. It is especially prized by mothers of small children, for colds, croup, and whooping cough, as it always affords quick relief, and as it contains no opium or other harmful drug, it may be given as confidently to a baby as to an adult.
