### BILIOUSNESS AND CONSTIPATION CURED BY THEDFORD'S BLACK-DRAUGHT

Because the liver is neglected people suffer with constipation, biliousness, headaches and fevers. Colds attack the lungs and contagious diseases take hold of the system. It is safe to say that if the liver were always kept in proper working order, illness would be almost unknown. Thedford's Black-Draught is so successful in curing such sickness because it is without a rival as a liver regulator. This great family medicine is not a strong and drastic drug, but a mild and healthful laxative that cures constipation and may be taken by a mere child without possible harm. The healthful action on the liver cures biliousness. It has an invigorating effect on the kidneys. Because the liver and kidneys do not work regularly, the poisonous acids along with the waste from the bowels get back into the blood and virulent contagion results. Timely treatment with Thedford's Black-Draught removes the dangers which lurk in constipation, liver and kidney troubles, and will positively forestall the inroads of Bright's disease, for which disease in advanced stages there is no cure. Ask your dealer for a 25c. package of Thedford's Black-Draught.

Webster, the Great Lexicographer, Defines Confidence as the feeling of security. Confidence, as the term is now applied, is nicely illustrated in almost every daily newspaper of the country. The confidence man meets you with the glad hand and inquires about Smith or Jones in your neighborhood and in a few minutes gets the loan of \$50 under some pretext, say old acquaintance sake, and then as soon as the little game is exposed, seeks cover or new fields to explore.

## G. D. TROTTER, Stayton.

### STAYTON, OREGON

Is located on the Santiam river, in the foothills of the Cascade range, and in the far-famed Willamette valley. It is 18 miles southeast of Salem, the state capital. The town proper has a population of about 700, though as only about half live within the incorporation, the 1900 census gives the place only 324. It has good school and church buildings, good business buildings and many handsome residences. The soil is rich, the water the best and as soft as rainwater. The climate is fine, and there are excellent openings for all.

Stayton now has two flour mills, saw mill, planing mill, sash and door factory, chair factory, carding and knitting mill, electric light plant, water works, city hall, fire engine and company, four general stores, one drug store, two grocery stores, two hardware stores, jewelry store, shoe store, furniture store, millinery store, meat market, livery stable, feed, stable, barber shop, tailor shop, harness shop, cabinet shop, paint shop, two blacksmith shops, wagon shop, newspaper and job printing office, bank, A. F. & A. M. and I. O. O. F. lodges, several insurance organizations, Methodist, Baptist, Christian, and Catholic churches, four-room public school, opera house, hotel, three saloons, photograph gallery, three physicians, dentist, veterinary, attorney, undertaker and embalmer, cheese factory, etc.

The town has one of the best water-powers in the state, on which any number of factories may be located.

There is good prospect for a woolen mill to be built during the summer. Stayton would be a first-class location for a starch factory, an excelsior factory, or any kind of a wood working plant. There is plenty of balm, maple, and fir timber for any amount of manufacturing. There is a fine farming and stock raising country about town, and farms for sale can be bought at fair price.

#### A Chicago Alderman Owes His Election to Chamberlain's Cough Remedy.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 So. Peoria St., Chicago. "Two years ago during a political campaign I caught cold after being overheated, which irritated my throat and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by Brewer Drug Co.

#### The Amateur Farmer's Success.

"There goes a 'book farmer' that refutes the stock joke about what failures they are." "How is that?" "His favorite text book is 'Success With Small Fruits,' and he has succeeded in growing the smallest fruit I ever saw."—Brooklyn Life.

Friendship between women is frequently only a suspension of hostilities.—Gray.

#### Startling Mortality.

Statistics show startling mortality from appendicitis and peritonitis. To prevent and cure these awful diseases, there is just one reliable remedy, Dr. King's New Life Pills. M. Flannery, of 14 Custom House Place, Chicago, says: "They have no equal for constipation and biliousness." 25c at Brewer Drug Co's.

#### Artistic Difficulties.

"It is difficult for a beginner in the drama even to walk across the stage properly, isn't it?" asked the student. "Yes," answered Mr. Stormington Barnes absently. "But it isn't as hard as learning to walk between stations."—Washington Star.

#### Incredible Brutality.

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c at Brewer Drug Co.
