Over-Burdened Women.

Many a man sees his wife bend and tug at burdens that strain the back and the heart alike, without any idea of the outrage. Children follow in too quick succession to allow the mother time to recuperate. The womanly organs become displaced, there are debilitating, disagreeable drains, with the added pain of inflamed or ulcerated parts. In this condition the woman bravely tries to carry her household load, afraid to take the rest she needs lest a meal will be late. No wonder she is pale, weak, wretched, surly of temper and snappish of tongue. She would be false to nature if she were anything else. No persons need help so much as the class of whom this woman is the type. And for such women no help is so sure, so wonderful, as that given by Dr. Pierce's Favorite Prescription. It restores all the womanly organs to perfect health. It establishes regularity in their functions. It restores the strained and shattered nervous system. It clears up the complexion, rounds out the form and makes life a daily happiness. "Favorite Prescription" contains no alcohol or whiskey. It is the best medicine for women. Nothing can be "just as good" as the best. Tell the dealer so if he offers a substitute.

"I wrote to you in 1902 about my case," writes Mrs. Ella W. Robinson, of Nuttrey, Va. "Was I not in a bad condition, and your reply was that I probably inherited the trouble from my mother, and you prescribed Dr. Pierce's Favorite Prescription. About that time I had an attack of fever and was sick for quite a while, so failed to get your 'Prescription.' In December following was married and then my husband bought me two boxes of Dr. Pierce's Favorite Prescription. Before I began to take it I had bearing-down pains at monthly periods, also dizzy spells. After I had taken one bottle I felt better and had no more pain. After taking the second bottle felt better than ever in my life, and in September gave birth to a twelve-pound baby girl. I am very thankful for your good medicine, and shall tell my friends what it did for me, and shall recommend it to all who are afflicted. We think it the best medicine in the world."

Not only the Original but the best Little Liver Pills, first put up over 40 years ago, by old Dr. R. V. Pierce, have been much imitated but never equalled, as their main ingredient is a purely vegetable, being made up of concentrated and refined medicinal principles, extracted from the roots of American plants. Do not gripe, but give two for stomach corrective, three or four for cathartic.

They never gripe or sicken, but cleanse and strengthen the stomach liver and bowels. This is the universal verdict of the many thousands who use DeWitt's Little Early Risers. These famous little pills relieve headache, constipation, biliousness, jaundice, torpid liver, sallow complexion, etc. Sold by Brewer Drug Co.

J. Johnson and family, of Lexington, Neb., are now residents of Stayton, having arrived Wednesday. They will make their home in the Jo Miller house. Mr. Johnson is the owner of the new harness shop just opened in the Ponischil building. He is not a harnessmaker, and has engaged J. J. Korinek, of Cottage Grove, to do the work. A large stock of goods is already in and the shop is open for business.

The Yellow Fever Germ has recently been discovered. It bears a close resemblance to the malaria germ. To free the system from disease germs, the most effective remedy is Dr. King's New Life Pills. Guaranteed to cure all diseases due to malaria poison and constipation. 25c at Brewer Drug Co's.
