During the sale at J. P. Glover's last Saturday some one helped himself to two horse brushes. John says he wouldn't have cared so much if the fellow had left him one brush, but he acted greedy and took all he had.

Tom Smith and his men have finished the work of cleaning out the brush along the banks of the Salem water ditch between Stayton and Turner. J. P. Davie acted as cook for the boys, which is a guarantee that they had plenty of good "grub."

When a horse is overworked it lies down and in other ways declares its inability to go further, you would consider it criminal to use force. Many a man of human impulses who would not harm a kitten is guilty of cruelty where his own stomach is concerned. Over-driven over worked, when what it needs is something that will digest the food eaten and help the stomach to recuperate. Something like Kodol For Dyspepsia sold by Brewer Drug Co.

A Telephone Meeting.

Wednesday afternoon representatives from the Turner, Aumsville, Fern Ridge, Sublimity, Lone Oak, Stayton and other mutual telephone companies met in the city hall, in this place, for the purpose of discussing the question of joining with the Pacific States telephone company, and other matters of interest to all the companies.

P. L. Brown, of Silverton, who personally owns an exchange in Silverton, and a line from that town to Mt Angel and Woodburn, was present and made a short talk.

After the matter of joining the Pacific States lines had been discussed, the sentiment of the meeting was taken, and showed that all with the exception of one representative from Aumsville, were in favor of remaining as mutual companies. The Home Co, now building a line up the valley will soon be ready to attach to the mutual lines in this section and give connection with Salem and Portland and will work with the mutual companies on a mutual plan. Nearly every shareholder present—and there was a large attendance—was against having anything to do with the offer made by the Pacific States Co., which was read at the meeting.

The construction of the long distance lines for the Independent system from Portland southward through the Willamette Valley is proceeding rapidly. Yesterday that line had reached a point between Woodburn and Salem. As soon as Albany is reached Corvallis will have long distance connections with the metropolis, where the Independent phones are now in use. In Albany the Independent people have 278 phones and are rapidly extending the system.—Corvallis Times.

E. Hofer and Mr. Hayden, representing the Capital Journal, of Salem, were in town Friday, and Saturday's issue of that paper contained an extensive write-up of Stayton. Special attention was paid to the Salem-Mehama railroad project, which is pronounced a sure thing at an early date. Considerable space was also devoted to the numerous manufacturing industries located here. In fact it was a very creditable mention of our wide-awake little city, and one that will be appreciated by our town's people.

Can you win? You realize that to win in any thing these days, requires strength with mind and body in tune. A man or woman with disordered digestive organs is not in a shape for a days work or a days play. How can they expect to win? Kodol for Dyspepsia contains the digestive juices of a healthy stomach and will put your stomach in shape to perform its important function of supplying blood. Digests what you eat, relieves indigestion, Dyspepsia, Sour Stomach. Palpitation of the heart and Constipation. Sold by Brewer Drug Co.

An editor, after running up against the public for a little while, printed the following: A man may use the mole on the back of his neck for a collar button; he may ride a freight train to save three cents a mile; he may light the lamp with a splinter to save matches; he may stop his watch at night to save wear; use a period for a semi-colon to save ink, and pasture his grandmothers grave to save hay, but a man of this kind is a scholar and a gentleman compared to a man who will take a newspaper and when asked to pay for it put it back in the post-office marked "Refused."

John Robertson shot a deer on McCulley mountain Tuesday. He gave a part of it to the man he stopped with, bringing the rest of it home. This he divided among his relatives, reserving a ha'n for himself. During the night someone stole the ham, leaving him "venisonless." He and Henry Smith left Wednesday after more deer.

Mr. Watters, of Salem, representing the new Salem-Mehama railroad, was in town Tuesday talking right-of-way to some of our people. He remained but a short time. H. C. Porter bro't him up from Aumsville, where he had been on the same business.

Sick Headache Cured.

Sick headache is caused by derangement of the stomach and by bad indigestion. Chamberlain's Stomach and Liver Tablets correct these disorders and effect a cure. By taking these tablets as soon as the first indication of the disease appears, the attack may be warded off. Get a free sample and try them. For sale by Stayton Pharmacy.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, and perhaps Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener. The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz. Golden Seal root, Stone root, Black Cherrybark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. R. Bartholow, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensatory; Prof. J. M. Scudder, M. D., Author of Specific Medicines; Prof. Laurence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. Finley Ellingwood, M. D., Author of Materia Medica and Prof. in Bennett Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of all the above medical authors and many others endorsing, in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. They're tiny and sugar-coated.

We have received our 1907 supply of calendar samples and shall show them to prospective patrons at our earliest opportunity.

School opened Monday with a good attendance; the following teachers are employed—Principal, Miss Cornelius, Turner. Third room, Miss Ruth Evans, Salem. Second room, Miss Robinson, Turner. Primary, Miss Katherine Standish, Brownsville.

Keep the bowels open when you have a cold and use a good remedy to allay the inflammation of the mucous membranes. Kennedys Laxative Honey and Tar opens the bowels and drives the cold out of the system in young or old. Sold by Brewer Drug Co.

The advertising merchant is the one who does the business in these days of push and enterprise; there are more newspaper readers today than ever before in the history of the world. The newspaper places your business under the eyes of the buyer. He sees what he wants and knowing where to find it, looks up the wide awake merchants who asked him to come and see them. Success in these days of sharp competition calls for eternal vigilance. You can't keep a hustler down.

Nothing To Fear.

Mothers need have no hesitancy in continuing to give Chamberlain's Cough Remedy to their little ones, as it contains absolutely nothing injurious. This remedy is not only safe to give small children, but is a medicine of great worth and merit. It has a world wide reputation for its cures of coughs, colds and croup and can always be relied upon. For sale by Stayton Pharmacy.

An Awful Cough Cured.

"Two years ago our little girl had a touch of pneumonia, which left her with an awful cough. She had spells of coughing, just like one with the whooping cough and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy, which acted like a charm. She stopped coughing and got stout and fat," writes Mrs. Ora Bussard, Brubaker, Ill. This remedy is for sale by Stayton Pharmacy.
