Stayton Hotel Improvement.

Last week Landlord Frank Lesley, of the Stayton Hotel, completed some extensive improvements on that popular house, the up-to-dateness of which are a credit to Stayton as well as to the hotel.

He has placed a water system in the hotel, having water in the lavatory, in the kitchen, the wash room and in the two toilets he has added for the convenience of his guests. Few hotels in towns of this size have modern interior toilets and in this the Stayton Hotel will be in the lead. His new septic tank holds 800 gallons and is built on modern plans. Everything about the house will be kept in a sanitary condition.

Mr. and Mrs. Lesley believe in having modern conveniences and will see that their house keeps pace with the growth of the town.

Oak Grove Notes.

Miss Milly Krenz visited Sunday with Annie Slagel.

There has been very little sickness in this neighborhood of late.

G. W. Slagel made a business trip to the Capital city Tuesday.

Mrs. Jennie Barrows was the guest of Mrs. Cliff Robard Friday afternoon.

The weather for the last week of school has been favorable to a good attendance.

On Sunday last, Miss Minnie Herziesen entertained the Misses Anna and Mae Tate.

Several of our boys from Oak Grove went fishing Sunday. They report a good catch.

People in the vicinity of Oak Grove are busy making vegetable and flower gardens.

Oak Grove will close its doors Friday after a successful term of school, taught by Miss Georgana Spicer. Much progress has been made by all of the pupils, some of whom seem likely to become illustrious men and women.

A very pleasant time was had at the Union Hill church on Tuesday evening Mar. 10th, by the people of Oak Grove and other near by neighborhoods. A lecture on the subject of temperance was given by Rev. Miller of Salem. His singing was much enjoyed by the large audience. The lecture accomplished much, many of the good Republicans and Democrats having been won over to the cause of Prohibition.

Some persons have been amusing themselves lately making scratches on some of the store windows in town. This is low-down business, and indicates a lack of common sense. A person having any respect for himself or any pride in his town would not stoop to such meanness.

SPRING MILLINERY.

Our spring goods are here and we will hold our annual spring opening Thursday, March 19. The ladies of Stayton and vicinity are cordially invited. STAYTON & ROBERTSON.

Frank Millard Bates, third son and fourth child of Mr. and Mrs. D. M. Bates, died Saturday, aged 2 years 5 months and 14 days. He leaves father, mother, two brothers and one sister, and a number of other relatives. The funeral service was conducted at the home Sunday afternoon by E. Horse Show.

The date for the big Horse Show in Stayton has been set for Saturday, March 28th. There will be a lot of fine animals exhibited.

JUBILEE SINGERS.

Williams' Dixie Jubilee Singers have come and gone and everybody is satisfied. This was perhaps one of the best entertainments ever in Stayton. In order to secure a company of this kind it is necessary to guarantee them a good sum, and this was done by the school. The house was packed to the doors and the school realized a nice sum. Miss Cornelius and her assistants are deserving of credit for securing for our people such an excellent entertainment.

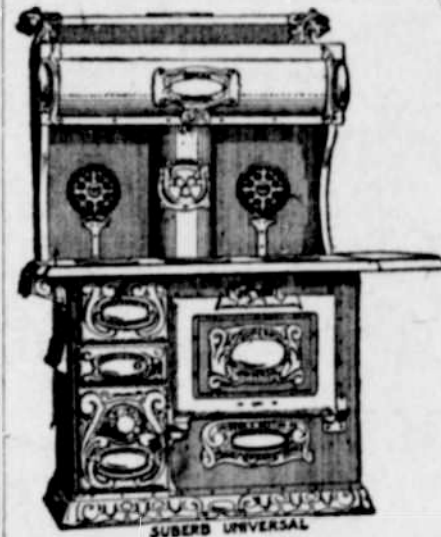

The Irrisistible Appeal

WHEN three quarters of the young men in town buy their clothing regularly from us it's a fair indication that we're handling the right kind of goods. When these same young men pay us \$15, \$18 and \$20 for a suit, it's good evidence that they think it worth while.

It's the perfect tailoring which characterizes every garment—the dependability of materials, the absolute correctness of the styles—that presents the irresistible appeal. Our \$17.50 clothes combine all these. Positive \$17.50 value.

Every garment is constructed of the finest imported and domestic materials, accurately correct as to style and embracing all newest and best ideas—Suits or Rain Coats.
