

The Farmer's Wife

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it makes foul all which is put into it?

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every tainting or corrupting element. In this way it cures blotches, pimples, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood.

If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.

The best agents known to medical science for the cure of the above symptoms and conditions, as attested by the writings of leading teachers and practitioners of all the several schools of medical practice, have been skillfully and harmoniously combined in Dr. Pierce's Golden Medical Discovery. That this is absolutely true will be readily proven to your satisfaction if you will but mail a postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the ingredients entering into his world-famed medicines and showing what the most eminent medical men of the age say of them.

EUREKA!

YES, I HAVE FOUND IT AT LAST.

Found what? Why that Chamberlain's Salve cures eczema and all manner of itching of the skin. I have been afflicted for many years with skin disease. I had to get up three or four times every night and wash with cold water to allay the terrible itching, but since using this salve in December, 1905, the itching has stopped and has not troubled me.—Elder John T. Ongley, Roocville, Pa. For sale by all druggists.

His Narrow Escape.

"I tell you, the closing of the Steenth National was a mighty close call for me."

"How was that?"

"Why, a friend had advised me to put my money in it and—"

"And you took his advice?"

"No, but I would if I'd had any money."—Philadelphia Ledger.

Kodol For Dyspepsia has helped thousands of people who have had stomach trouble. This is what one man says of it: "E. C. DeWitt & Co., Chicago, Ill.—Gentlemen—In 1897 I had a disease of the stomach and bowels, I could not digest anything I ate and in the spring of 1902 I bought a bottle of Kodol and the benefit I received from that bottle all the gold in Georgia could not buy. I still use a little occasionally as I find it a fine blood purifier and a good tonic. May you live long and prosper. Yours very truly, C. N. Cornell Roding, Ga. Aug 27, 1906. Sold by Stayton Pharmacy.

The Secret of a Beautiful Face

lies in keeping the skin protected as well as cleansed. Just washing is not enough—that only leaves the delicate surface more exposed to the irritation of dust and germs; to merciless attacks of sun and weather. After washing, apply Robertine and experience its delightful refreshment. You will admire the line-less softness it imparts to face, neck and arms. It not only stimulates a radiant glow, but protects the skin from becoming coarse. Prevents burning, tan and freckles.

DEATH WAS ON HIS HEELS.

Jesse P. Morris, of Skipper, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs, lung disease in all the world." Sold under guarantee at Brewer's drug store. 50c and \$1.00 Trial bottle free.

Going On.

A terrible noise of thumping and stamping came from Bob's room early one morning.

"Bobby, Bobby," called his mother from downstairs, "what is going on up there?"

"My shoes," replied Bob.

To have perfect health we must have perfect digestion, and it is very important not to permit any delay the moment the stomach feels out of order. Take something at once that you know will promptly and un-faillingly assist digestion. There is nothing better than Kodol for dyspepsia, indigestion, sour stomach, belching of gas and nervous headache. Kodol is a natural digestant, and will digest what you eat. Sold by Stayton Pharmacy.

His Economy.

Father—It's only fair to tell you that I'm pleased with your economy this term. Your requests for money were too frequent last term. Son—Yes, father, I thought so, too, so this term I've had everything on tick.—London Tit-Bits.

Kennedy's Laxative Cough Syrup—the cough Syrup that tastes nearly as good as maple sugar and which children like so well to take. Unlike nearly all other cough remedies, it does not constipate, but on the other hand it acts promptly on the bowels through which the cold is forced out of the system and at the same time it allays inflammation. Always use Kennedy's Laxative Cough Syrup. Sold by Stayton Pharmacy.

One Drawback.

Olive—What an improvement it will be if the time ever comes when everybody can get a seat in the street cars. Violet—Oh, I don't know. A girl would never be sure then that she was pretty.—Puck.

A TWENTY YEAR SENTENCE.

"I have just completed a twenty year health sentence, imposed by Bucklen's Arnica Salve, which cured me of bleeding piles just twenty years ago," writes O. S. Woollever, of LeRaysville, N. Y. Bucklen's Arnica Salve heals the worst sores, boils, burns, wounds and cuts in the shortest time. 25c. at Brewer's drug store.

Glory Everywhere.

A Methodist minister was much annoyed by one of his hearers frequently shouting out during the preaching. "Glory!" "Praise the Lord!" and the like. Though often reproved, the happy member persisted in expressing himself.

One day the minister invited him to tea and, to take his mind from thoughts of praise, handed him a scientific book, full of dry facts and figures, to pass the time before tea.

Presently the minister was startled by a sudden outburst of "Glory!" "Halleluiah!" and "Praise the Lord!"

"What is the matter, man?" asked the minister.

"Why, this book says the sea is five miles deep?"

"Well, what of that?"

"Why, the Bible says my sins have been cast into the depths of the sea, and if it is that deep I need not be afraid of their ever coming up again. Glory!"

The minister gave up hopes of reforming him.

Partly True.

Mr. Nix—I don't believe a word of your story! Weary—Well, that part about my bein' out of work for nine years is as true as gospel!—Philadelphia Inquirer.

A WOMAN TELLS HOW TO RELIEVE RHEUMATIC PAINS.

I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderfully it has worked.—Mrs. Sarah A. Cole, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many its cost. It makes rest and sleep possible. For sale by all druggists.

An Unburied Picture.

Rossetti secured permission in 1869 to reopen the coffin of his wife in order to secure the manuscripts of some poems which he had buried with her seven years before.

Some such incident might have occurred in connection with J. M. W. Turner if his desire to be buried wrapped up in his own painting of "Carthage" had been carried out. There was some difficulty in selling the painting, and the artist kept the canvas by him. He always said he would be wrapped in it when he was buried and even went so far as to ask Chantrey if as his executor he would fulfill his wishes on that point.

"No doubt," answered the sculptor, "I shall bury you rolled up in your picture if it is one of the conditions of your will, but I would take you up next day and unroll you!"

The Master's Title.

Professor Key when head master of a large London school was one of the most genial gentlemen that ever filled that position. He was fond of encouraging fun in his boys and was not unwilling to recount occasionally during class time when anything prompted it the manners and customs of countries he had visited. On one occasion he was telling his class about Spain and said:

"Do you know, boys, that when a man attains to eminence there he is not called 'sir,' but is given the title of 'don'?"

One of the boys here called out: "Then, I suppose, sir, they would call you Don Key?"

The gravity of the class was completely upset for the remainder of the afternoon.—Strand Magazine.

FRIEND TO FRIEND.

The personal recommendations of people who have been cured of coughs and colds by Chamberlain's Cough Remedy have done more than all else to make it a staple article of trade and commerce over a large part of the civilized world.

AN INSTANCE.

Lucy Suddreth, of Lenoir, N. C., had been troubled with a very bad cough for over a year. She says: "A friend bought a bottle of CHAMBERLAIN'S COUGH REMEDY, brought it to me and insisted that I should take it. I did so and to my surprise it helped me. Four bottles of it cured me of my cough."
