T. J. Smith, manager of the Salem ditch, calls our attention to the fact that there is a heavy penalty for throwing anything that will pollute the water into the river or either of the ditches. Now that city water is being taken from the Stayton ditch, persons violating the law should be severely dealt with.

"Tip" Humphrey, editor of the Jefferson Review, and well known to many readers of the MAIL, has the following to say: "It is plainly demonstrated by Monday's vote that saloons in Oregon must obey the laws, or in 1910 this state will join the prohibition column. Saloon men who have in the past violated every law are responsible for the present prohibition wave."

Frank Lesley has built a new walk on the south and west sides of his hotel. He expects during the summer to build an addition on the southwest corner of the hotel. Every Man His Own Doctor.

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough.

Chamberlain's Pain Balm (an anti-septic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatic pains.

Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles.

Chamberlain's Salve for diseases of the skin.

One bottle of each of these five preparations costs but \$1.25. For sale by all druggists.

A Grand Family Medicine.

"It gives me pleasure to speak a good word for Electric Bitters," writes Mr. Frank Conlan of No. 436 Houston St., New York. "It's a grand family medicine for dyspepsia and liver complications; while for lame back and weak kidneys it cannot be too highly recommended." Electric Bitters regulate the digestive functions, purify the blood, and impart renewed vigor and vitality to the weak and debilitated of both sexes. Sold under guarantee at Brewer's drug store. 50c.

The first installment of the "Jayhawkers of '49" appeared in the May number of the Death Valley Magazine. The author will get down squarely to business in the June number. Readers interested in pioneer history may secure a copy of this magazine by addressing the Death Valley Publishing Co., Rhyolite, Nevada.

Aurora has put in a water system. Bucklen's Arnica Salve Wins.

Tom Moore, of Rural Route 1, Cochran, Ga., writes: "I had a bad sore come on the instep of my foot and could find nothing that would heal it until I applied Bucklen's Arnica Salve. Less than half of a 25 cent box won the day for me by affecting a perfect cure." Sold under guarantee at Brewer's drug store.
