S.S.S. CURES RHEUMATISM

Every case of Rheumatism has its origin and its development in the blood. It is not a disease which is contracted like a cold, but it is in the blood and system before a pain is felt, and the changes in the weather or any physical irregularities, such as a spell of indigestion, bowel disturbance, etc., are merely the exciting causes producing the pains and aches, which are the natural symptoms of the disease. Rheumatism is caused by an excess of uric acid and other corrosive, irritating poisons in the blood, which are carried through the circulation to every part of the system. Every muscle, nerve, membrane, tissue and joint becomes saturated with these acrid, irritating impurities, or coated with fine, insoluble caustic matter, and the sharp, piercing pains or the dull, constant aches are felt with every physical movement. When the blood is filled with uric acid poison, permanent relief cannot be expected from liniments, plasters, or other external treatment. Such measures give temporary relief, but in order to conquer Rheumatism and bring about a complete cure, the uric acid and other inflammatory matter must be expelled, and this cannot be done with external treatment. S. S. S. cures Rheumatism because it is a perfect and entirely vegetable blood purifier. It goes down into the circulation, neutralizes the acids, and dissolves the irritating deposits which are pressing on the sensitive nerves and tissues and producing pain, enriches the weak, sour blood, and removes every atom of impurity from the circulation. So instead of being a weak, sour stream, distributing uric acid to the different parts of the system, the blood is strong and healthy and therefore able to supply every muscle, nerve, bone and tissue with nourishment and strength. Then the inflammation and swelling subside, the pains and aches cease, and not only is Rheumatism permanently cured, but under the fine tonic effects of S. S. S. the entire general health is benefitted and built up. In all forms of Rheumatism, whether acute or chronic, S. S. S. will be found a safe and reliable treatment. Special book on Rheumatism and any medical advice you desire will be furnished free. THE SWIFT SPECIFIC CO., ATLANTA, GA.

Sometime ago, I had Rheumatism and had to quit work. The pain in my back and between my shoulders was so intense I could not rest or sleep. I tried everything, but nothing did me any good till I heard of and took S. S. S. This medicine cured me sound and well. It purified my blood and made me feel like a new man.

CONRAD LOHR,
Anderson, Ind. 122 E. 19th St.

I was severely troubled with Rheumatism. I had it in my knees, legs and ankles, and any one who has ever had Rheumatism knows how excruciating the pain is and how it interferes with one at work. I was truly in bad shape—having been bothered with it for ten years, off and on. A local physician advised me to use S. S. S. I did so. After taking two bottles I noticed the soreness and pain were greatly reduced. I continued the medicine and was thoroughly cured; all pain, soreness and inflammation gone. I recommend S. S. S. to all Rheumatic sufferers.

HOUSEHOLD

New Way to Catch Cockroaches.

A florist has discovered by accident a new way to catch cockroaches. A pint fruit jar containing a scrap of bacon happened to be left over night in one of his greenhouses. Next morning a dozen or more cockroaches were vainly trying to climb the slipper sides of the glass jar. The florist has succeeded in ridding his establishment of these repulsive creatures, which formerly ate such high-priced plants as orchids and gardenias. It is necessary to paste a piece of paper on the outside of the jar, so that the insects can get sufficient foothold to climb up into the trap. In the original case the label of the manufacturer supplied this need.

How to Fill Up Holes in Wood.

It sometimes becomes necessary to fill up cracks or dents in fine woodwork, furniture, floors, etc. The following is the best way of doing it. White tissue paper is steeped and perfectly softened in water and, by thorough kneading with glue, transformed into a paste, and by means of ochres (earth colors) colored as nearly as possible to the shade of the wood. To the paste calcined magnesia is then added, and it is forced into the cracks or holes. This cement attaches itself very firmly to the wood, and after drying retains its smooth surface.

Steamed Batter Pudding.

Beat two eggs light, add one cup of milk, three and one-half cups of flour sifted twice with one-half level teaspoonful of salt, one level tablespoonful of sugar, four level teaspoonfuls of baking powder and three tablespoonfuls of melted butter. Beat and stir in three-quarters cup of stoned dates cut in pieces, or seeded and cut raisins. Pour into a well-greased pudding mold, cover tightly, and steam two and one-half hours. Serve with a creamy sauce.

Fried Steak.

I have seen so many recipes for stewed steak I am tempted to give mine for fried steak, which always proves a success. Into two pounds of round or other cut, rub salt to taste and a light teaspoon of soda. Let it lie overnight for breakfast, then before frying rinse in two waters, dip in flour and fry in boiling fat until well done, Serve at once, either with or without gravy poured over it.

Delicious Rice Waffles.

To one cupful of cold boiled rice add about a tablespoonful of melted butter, two cupfuls of milk, a teaspoonful of salt, two teaspoonfuls of baking powder, two eggs whipped light and flour to make thin batter. Beat all the ingredients well together and bake as you would other waffles, taking pains to grease the irons very thoroughly, so that the rice may not stick. —Christine Terhune Herrick.

Old-Time Spring Medicines.

Sulphur and molasses, taken internally, is a blood purifier that undoubtedly is excellent. The two are mixed to a thick paste, and about a teaspoonful of cream of tartar added to a cupful of the mixture. A big teaspoonful of this is taken for three mornings, skipping the next three, resuming the dose again, and continuing in this way until nine doses have been taken.

Bearnaise Sauce.

Beat the yolks of two eggs light, put into a round-bottomed saucepan and set in one of boiling water. Stir into it, a few drops at a time, three tablespoons salad oil, beating as you stir, then as gradually the same quantity of boiling water, next one tablespoon lemon juice, a dash of cayenne and salt.

Chocolate Drops.

Scrape one pound of chocolate, sift and beat into it four pounds of sugar. Beat to a froth the whites of four eggs and add the sugar and chocolate. Beat as stiff as a paste. Grease a papered pan and drop the mixture upon it (about the size of a 5-cent piece). Bake in a slow oven.

Dates for Breakfast.

Separate the dates—one from another—with the fingers, cover them with boiling water and stir about one minute, then skim out of the water on to an agate plate. Set into a hot oven from three to five minutes, then remove to serving dish.

Potato Pudding.

Two cups cold potatoes mashed fine, two eggs well beaten, one-half cup sweet, milk salt and pepper to taste; three tablespoonfuls melted butter Bake half an hour.

Short Suggestions.

Tarnished silverware is brightened if placed in buttermilk for two hours and washed in hot suds.

Buy a strip of asbestos cloth and use small squares to interline your ironholders. Keep a good-sized piece fastened to your ironing board to save the sheet, and lay a square under the table pad where the meat platter rests.

QUEEN OF ACTRESSES PRAISES PE-RU-NA

MISS JULIA MARLOWE

"I am glad to write my endorsement of the great remedy Peruna. I do so most heartily."—Julia Marlowe.

Any remedy that benefits digestion strengthens the nerves.

The nerve centers require nutrition. If the digestion is impaired the nerve centers become anemic, and nervous debility is the result.

Peruna is not a nervine nor a stimulant. It benefits the nerves by benefiting digestion.

Peruna frees the stomach of catarrhal congestions and normal digestion is the result.

In other words, Peruna goes to the bottom of the whole difficulty, when the disagreeable symptoms disappear.

Mrs. J. C. Jamison, Wallace, Cal., writes:

"I was troubled with my stomach for six years. Was treated by three doctors. They said that I had nervous dyspepsia. I was put on a liquid diet for three months.

"I improved under the treatment, but as soon as I stopped taking the medicine, I got bad again.

"I saw a testimonial of a man whose case was similar to mine being cured by Peruna, so I thought I would give it a trial.

"I procured a bottle at once and commenced taking it. I have taken several bottles and am entirely cured."
