building in Albany, also on the new
depot.

Frank Lesley made an auto trip to
Salem Tuesday accompanied by W.
L. Freres.

Bess Alexander is home from Cor-
vallis, the school year at O. A. C. be-
ing completed.

DeWitts Little Early Risers, the fa-
mous little liver pills, are sold by Stay-
ton Pharmacy.

Mr. and Mrs. E. Forrette pleased
their children by placing a new piano
in their home recently.

those chosen as jurors from this pre-
cinct for the July term of the circuit
court.

Portland were guests of Lee Brown
and wife and other friends Sunday and
Monday.

family took place this week at New-
port, the brothers all expecting to be
present. W. H. and daughter attend-
ed.

Jos. Fisher made the biggest catch
Sunday that has been made here with
rod and line for some time. He hook-
ed a salmon 31 inches long and landed
it.

The Corvallis Times publishes a list
of 63 new residences built this year, at
a cost of \$80,000, with more in pros-
pect, and still there are some who be-
lieve prohibition kills a town.

C. S. Bowne, of Aumsville, was a
caller Wednesday. Mr. Bowne is
thoroughly in sympathy with THE
MAIL in its stand for a free ballot, and
showed his appreciation in a sub-
stantial manner.

The forest rangers are to build a
new trail from Detroit south to con-
nect with the Lebanon trail. This
will be a convenience to hunters and
campers in the mountains.

Jacob Siegmund and sons have a
new clover huller, and are now pre-
pared to thresh clover for people not
to far distant from their home. Clover
to be cut for seed should be cut
early.

The state G. A. R. held its annual
re-union at Newport this week. Those
from Stayton attending were R. Ham-
bel, E. Shepherd, Mrs. Adam Shep-
herd, Mrs. Eccleson, W. H. and Miss
Cooper, Mr. and Mrs. E. Forrette.

E. G. Siegmund and son Laurence
are home from their eastern Oregon
trip, both improved in health. Mr.
Siegmund says crops there are not
very flourishing, and that he prefers
the valley as a place of residence.

Frank Siegmund was in town the
first of the week and submitted to an
operation on one of his eyes for the
removal of cataract. The operation
was successfully performed, and he has
returned home.

There will be a Socialist picnic at
the grove two miles east of Scio, near
the Bohemian hall, on Sunday, July
12. There will be speeches, music,
races and a good time generally.
Everyone is invited.

With the numerous buildings under
construction in and about town, car-
penters are all busy, and one new
comer, after hunting two days for help
on a small job of carpentering, gave
up hunting help and did the work
himself.

Kennedy's Laxative Cough Syrup is
the one that children like so well to
take as it tastes nearly as good as ma-
ple sugar. It is different from the oth-
ers as it does not constipate, but on
the other hand it acts gently yet free-
ly on the bowels and thereby it drives
the cold out of the system. It is sold
by Stayton Pharmacy.

The proposition to bond the dis-
trict for \$4000, to build an addition to
the school house was voted down Mon-
day. Two petitions are now in the
field—one for a new \$6000 building
and one for \$1500 addition to the
present building. The people seem
to be divided on the question. All
are in favor of improvement, but some
want more than others. The fact that
the town has—will have soon—an
indebtedness of \$6000 for waterworks,
etc. seems heavy to believe that the
smaller sum for the schools is sufficient
at present.

Miss Theo Matthieu is home from
Mt. Angel Academy.

Miss Frank Alexander is home from
her visit with Corvallis and Albany
friends.

Miss Leone Stayton visited the past

Lengler, of Shelburn suffered a frac-
ture of a broken fore arm Monday.

Miss Elizabeth Dunn, of Walla
Walla, Wash., has been a guest of
Miss Hobson and other Stayton friends
the past week.

Miss Alda Young, of Eastern Ore-
gon, has been visiting Mrs. John F.
Robertson and other relatives. She
attended O. A. C. the past year.

Henry Follis was a caller the first
of the week, and showed his appreci-
ation of THE MAIL's stand by adding
his name to our list.

Charles Hottinger is having a barn
built on his farm northeast of town,
that will be a good one. It is 41x84
feet, and 60 feet high to the gable. It
will hold a lot of hay as well as con-
siderable stock.

Jos Sestak & Sons have taken the
gasoline engine out of their meat
market and put in a new 6 h. p. steam
engine and an 8 h. p. boiler. This
power will run their ice plant and
other machinery without trouble.
The gasoline engine did not prove
satisfactory for this work, and will be
moved to the slaughter yards and used
to pump water.

Mrs. Nina Kahler and Mrs. Clara
Bertram of Mill City were guests at J.
W. Jacksons over Sunday. Mrs. Kah-
ler is a talented pianist and vocalist,
and has had much experience in
musical work. Some of the orchestra
members enjoyed an evening with Mrs.
Kahler at the piano at the home of
C. E. Brown. She is experienced in
orchestra work, and also in piano and
vocal instruction, and if a class can be
secured in Stayton would be willing
to locate here and assist the orches-
tra. It is hoped enough pupils may
be secured to induce her to locate
here, as she is an exceptionally fine
pianist and would add much to Stay-
ton's musical circles. Any who would
be willing to join a class in either
vocal or instrumental music under
her instruction can leave word either
with J. F. Law or at this office.

All Kinds of People Wear Lancefield's Shoes!

The poor man wears them because they save him money.
The well-to-do man wears them because they indicate
prosperity.
The young people wear them because they have style.
The old folks wear them because they are comfortable.
The children wear them because their mothers know
what is best for them.
The barefooted boy is glad to wear them after he has
punctured his epidermis a time or two.

Everybody wears Lancefield's Shoes

Every Man His Own Doctor.

The average man cannot afford to
employ a physician for every slight
ailment or injury that may occur in
his family, nor can he afford to neg-
lect them, as so slight an injury as
the scratch of a pin has been known
to cause the loss of a limb. Hence
every man must from necessity be his
own doctor for this class of ailments.
Success often depends upon prompt
treatment, which can only be had
when suitable medicines are kept at
hand. Chamberlain's Remedies have
been in the market for many years
and enjoy a good reputation.

Chamberlain's Colic, Cholera and Di-
arrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for
coughs, colds, croup and whooping
cough.

Chamberlain's Pain Balm (an anti-
septic liniment) for cuts, bruises, burns,
sprains, swellings, lame back and
rheumatic pains.

Chamberlain's Stomach and Liver
Tablets for constipation, biliousness
and stomach troubles.

Chamberlain's Salve for diseases of
the skin.

One bottle of each of these five pre-
parations costs but \$1.25. For sale by
all druggists.

A Grand Family Medicine.

"It gives me pleasure to speak a
good word for Electric Bitters," writes
Mr. Frank Conlan of No. 436 Houston
St., New York. "It's a grand family
medicine for dyspepsia and liver com-
plications; while for lame back and
weak kidneys it cannot be too highly
recommended." Electric Bitters regu-
late the digestive functions, purify
the blood, and impart renewed vigor
and vitality to the weak and debili-
tated of both sexes. Sold under guar-
antee at Brewer's drug store. 50c.

BAPTIST CHURCH.

No preventing providence there will
be preaching in the Baptist church
next Sunday morning and evening
and Sunday school and young peoples
meeting at the usual time, also a Gos-
pel meeting on Saturday evening at
8 o'clock to which everybody is in-
vited. A. H. CARMAN,
Pastor.

It generally happens that the more
a man knows the less he believes.

Bucklen's Arnica Salve Wins.

Tom Moore, of Rural Route 1, Coch-
ran, Ga., writes: "I had a bad sore
come on the instep of my foot and
could find nothing that would heal it
until I applied Bucklen's Arnica Salve.
Less than half of a 25 cent box won
the day for me by affecting a perfect
cure." Sold under guarantee at Brew-
er's drug store.
