## Railroad Meeting

## Citizens Turn Out En Masse.

## A. WELCH PRESENT.

Last evening there was a well attended railroad meeting held in the City Hall to meet the propower of the electric line from Stayton to Salem, Mr. A. Welch of Portland.

The meeting was called to order by the president of the Commercial Club, W. L. Freres, who after a few brief remarks introduced Mr. Welch, who gave to those present the same proposition as has been worked on by the committee on subscriptions. Mr. Welch was followed by Mr. Waters of Salem, who gave really more detail than had been given by Mr. Welch.

Several of the citizens then spoke their views and questions asked received an immediate satisfactory answer. Among our townspeople who gave some of the information which is always looked for by railroad men, was Mr. Shreve, of the Electric Light Co., who by motion asked that the railroad proposition be indorsed by the people present. The motion carried unanimously.

Upon a motion the president of the Club was authorized to appoint new members to take the place of vacancies on the soliciting committee and he appointed Dr. Beauchamp, Messrs. Meyers and Shreve.

The committee will wait upon those who have already subscribed and as many others as they can by the close of next week. That will be the last chance any of our citizens will have to assist in the subscriptions. Do not delay but do all you can.

## Sublimity Gleanings.

A very pretty wedding took place Tuesday, Aug. 18, at 9:30 a. m., when Miss Mary Prange and Louis Schott were united in marriage, Rev. Father Lainek officiating. The bride presented a handsome appearance in a gown of white silk covered with dotted silk net. She was attended by her sister, Miss Adelia, and Miss Rose Becker. The groom wore the fashionable color of brown and was attended by Joseph Prange and Frank Riester. The bride is a popular young lady of this place, having served as postmistress for some time. After the ceremony the happy couple repaired to the home of the bride's parents' where a host of intimate friends were entertained. Among the out of town guests present were Mr. and Mrs. W. J. The Perham Enterprise of Aug. 13th has the following: "Ferdinand Wagner, who lives east of town, purchased a 'Clover Leaf' manure spreader from Kukowske Bros. last week. The 'Clover Leaf' is considered to be the best machine of the kind on the market and Mr. Wagner, being an up to date farmer, would have nothing but the best. Those spreaders are now recognized as important labor saving machines and are coming into general use in all parts of the state. Kukowske Bros. have sold three of them this season." John Mielke, of Korinek & Mielke, handed in the above clipping, but they are going to set a new mark for their friends in Perham, for thus far five "Corn King" manure spreaders have been sold by Korinek & Mielke.

## See What You Buy!

Do not depend upon printed descriptions. There are only a certain number of adjectives in the language anyway and they are apt to be used many times when a fellow is trying to convince of something on paper at long range. The result is you do not know what you are getting after you are all through reading.

Cut This Out and come here and see what you buy. It costs nothing to look, and even if you buy and are dissatisfied afterwards, return it and get your money back. No complaint either.
