

LAST DAY HERE!

THE AIR COMPRESSORS AND DRILLS

will be installed within a short time and operations will be greatly increased by

Extra Help Added

this week on the BRIDGE GANG also ROAD CREW. The weather now permits of speedy work and

Bridges Will be Rushed to Completion.

When they are in the grade can soon be finished to the Smelter site. Then

SMELTER MACHINERY WILL GO IN but the Air Compressors and Drills will have been installed LONG BEFORE THE SMELTER HAS BEEN COMPLETED.
