OUR MOTTO: Pure and reliable goods, reasonable prices, quality considered.

J. J. Korinek and J. F. Mielke are the proprietors of one of the nicest little establishments to be found in the West.

They handle a full line of Harness, Saddles, Whips, Robes, Blankets, Wagons Buggies, Carriages, Farm Implements, Lime, Plaster and Cement.

It has been about one and a half years since we engaged in the Implement and Vehicle business previous to which time we had purchased the harness business of Joseph Johnston.

Our business has been quite good and wishing our patrons and friends a Merry Xmas and a Happy New Year, we are very truly yours,
