

FOR FARMERS

I have received my stock of Buggies, Carriages and Hacks. Do not fail to see me before you buy, because I have the goods and prices.

I have also added a new line of Auto Farm Delivery Wagons, Buggies and Surreys, made by the International Harvester Company of America.

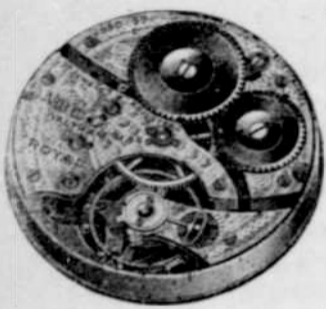

A great feature about the International is that it makes a most acceptable car for all around use. Furthermore, the International Auto Buggy is within the reach of a very moderate sized pocketbook.

Will have sample of Auto Wagon in about 30 days; will mail catalogue on request.

Yours For Trade,

PHILIP MEIER,
