

UP IN THE AIR.

That's the Condition

which confronts the average man concerning the matter of clothes.

When it comes to the question of value, workmanship, material and the like, the majority of men are hopelessly lost. But there is no reason on earth why the men, young men and boys of this vicinity should not get the best values on earth and be dressed right up to snuff as long as we carry Tech clothes, which are so distinct from other makes that once YOU buy one suit you will always come to us and be our regular customer.

REMEMBER

We guarantee Style, Fit, Wearing quality---or your money back.

DRESS GOODS.

The largest line of dress goods, of all descriptions, will be found here. Now ready for your inspection, and while prices on all cotton goods have advanced yet we are in a position to sell you goods for less money than you expect to pay, for the simple reason that the people we buy from knew goods were advancing, so took advantage of the low prices, thus giving us the benefit thereof.
