**JETER GETS \$800**

In the case of W. L. Benham vs. J. B. Jeter, tried this week at Salem, Mr. Jeter was given judgement for \$800. This was a condemnation proceeding to secure a right of way through a small portion of Mr. Jeter's property for the irrigation ditch. About one and one-fifth acres will be used by the ditch company and about an acre of this amount is a fish pond, through which the ditch was dug.

**EAST SALEM VS. STAYTON JUNIORS**

The junior team of Stayton held an interesting session on Sunday last. Both teams worked hard for the victory and had Cole, who relieved Robertson on the mound for Stayton been in the box earlier in the game the verdict may have been different. This same boy Cole will bear watching. He has a variety of benders that would puzzle more experienced players than the visitors of Sunday, which combined with very fair control makes him a formidable antagonist. The boys from Salem seemed totally unable to solve the problems presented to them by the juniors fey slabster. The easy delivery of Floyd Robertson was responsible for the majority of the nine runs piled up by the East Salemites, but with the advent of a new pitcher the locals gained courage and fell upon the pitchers from the cherry City for a small matter of six runs. It was the best game seen on the local diamond this season for although errors were quite numerous the energy and interest in the game displayed by both teams atoned for their lack of knowledge of the fine points of the game. We hope to see the juniors in action again soon. The score; Salem 9, Stayton 6.

A splendid specimen of the chinook salmon was caught by Tom Smith on Monday evening. A small trout rod and hook was all the apparatus needed to land the big fellow. It took an hour to land him.
