The McAlpin School closed Friday. May 17, after a very successful year's work. There was an average attendance of 96.1 per cent with only 9 tardy neither absent or tardy are as follows:

Edna EcElhaney, Lillie Priem, Adeline Preim, Fred Yost and Genevieve Patton, and eight others were only absent one day. Miss Albee has been engaged as teacher for another year. She has had good success with the school work, and the pupils are greatly

\$9000 A YEAR FOR 40 YEARS, FARM'S RECORD

What is declared to be the most valuable tract of farm land in the state, and probably in the whole country, lies near Beaverton, in Washington County. THERMODYNE is unexcelled for all This fifteen acre farm is beaver-dam land and has grown onions, valued at \$9,000 a year, for forty years. The tract has produced a total of approxihere on business Saturday. He mately \$260,000. Onions yield 400 sacks per acre on this land and its richness seems inexhaustible. It is thought there is no other piece of land in the Pneumonia, Bronchitis, Pleurisy, Croup, United States that can show a similar record.

TO TEACH FOREST PROTECTION
