

THE FINAL CLASH

One of the oldest and best established merchants in Marion county has failed to tide over the fall and winter season. We are forced by our creditors to turn this enormous stock of men's and women's ready-to-wear cloaks, suits, domestic and imported dress goods, shoes and groceries into money quick.

\$10,000 MUST Be RAISED At Once
OR WE ARE

DOOMED

Our creditors have placed a definite date for the settlement of all bills due for the large stock of HIGH GRADE GOODS we bought last fall.

Come Early Space will not allow us to tell you all the good values we have to offer. **Avoid the Crowd**
