High Cost of Living Due Mainly to Middlemen's Profits

TO AVOID this factor and give the consumer the benefit, we cut out the middleman and buy our buggies direct from the manufacturer, thus **GIVING YOU THE JOBBER'S PROFIT.** Don't lose sight of this fact.

We have sold three cars of buggies in and around Stayton in the past three years. Our fourth car is now here, and we are prepared to show you:

A FEW POINTS

FIRST: The best constructed buggy it is possible to make in one of the largest and best equipped factories in the country.

SECOND: A low price that is far and away below competitors.

THIRD: A list of well satisfied customers.

FOURTH: A method of reducing the high cost of living, which is now prevalent.

THE BANNER BUGGY is made for Western use—it has a 1 1/8 inch steel axle instead of the 7/8 inch axle used in Eastern buggies. In fact, all parts are extra re-inforced for mountain wear, and are guaranteed to stand up under any legitimate usage.

What more could be expected of any vehicle? And at the price you pay for the Banner it cannot be equalled.

OUR GUARANTEE

stands for two years from the time the buggy leaves the store. Compare this with the guarantees others give.

Others Guarantee for
**ONE
Year Only.**

Just ponder on what this means. If you do you will buy from us.

WE SAVE YOU from \$10 to \$15 on a wagon bought direct from the manufacturer. We get in this way the **BURG WAGON** which is made in Hannibal, Mo. It comes on five different trucks, fully guaranteed. It is made in the heart of the "Oak Country." Be sure and see this wagon before buying elsewhere. It will pay you well.

For Neuralgia, nothing is better than
Dr. Miles' Anti-Pain Pills
Used by thousands for a generation

Those who have suffered from neuralgic pains need not be told how necessary it is to secure relief. The easiest way out of neuralgia is to use Dr. Miles' Anti-Pain Pills. They have relieved sufferers for so many years that they have become a household necessity. "I have taken Dr. Miles' Anti-Pain Pills for five years and they are the only thing that does me any good. They have relieved neuralgia in my head in fifteen minutes. I have also taken them for rheumatism, headache, pains in the breast, toothache, earache and pains in the bowels and limbs. I have found nothing to equal them and they are all that is claimed for them."
