J. E. Hosmer, editor of the Silverton Journal, besides getting out a breezy newspaper, is an inventor. He has patented what he calls a "Gravity Hand Cultivator." He claims that it is the greatest garden invention in the world, and when one comes to consider the truth and veracity of the ordinary newspaper man, one has no reason to doubt his word.

Just what the jigger looks like we cannot say, but "Gravity Hand Cultivator" listens good, and we confess to considerable curiosity as to just what makes it "cultivate six or seven inches deep" with no one to run it except a little girl not twelve years old, as one Silverton farmer reiterates.

Brother Hosmer, we have a brand new Franklin Proof Press that we will swap for one of those "Gravity Hand Cultivators" if it will only do one-half what is claimed for it. What do you say?

Women must have fishing licenses after June 3, 1913. Four Albany voters of the fair sex have already procured theirs and will angle for the elusive trout, without fear of arrest.

This Will Help You To . . . SUCCESS

There are two necessary requirements to success—ambition and hard work.

If you have lost your ambition—if you have lost your desire and pleasure in hard work, it is undoubtedly a fact that this loss is due to your kidneys.

When your kidneys are out of order, then is when you feel drowsy and "mopy," you have backache, and you are not energetic, you have to drive yourself to your work.

BEAUCHAMP'S KIDNEY PILLS

give you the ambition and desire for work which lead to success, because they put your kidney and liver in the proper condition, you are free from backache and other kidney complaints

They Give Relief Without Bad After-Effects.
"It gives me great pleasure to offer a word of recommendation for Dr. Miles' Anti-Pain Pills, as there are thousands suffering unnecessarily from headache. I was afflicted intermittently for years with headache and after other remedies failed, I tried Dr. Miles' Anti-Pain Pills. For the past ten years I have carried them constantly with me, getting instant relief by using one or two on the approach of headache. They are also effective for neuralgia, giving immediate relief."
