Mr. Olmsted

The above notice was handed to us by our obliging City Marshal, Chas. Staab, and needs no comment except that we expect to print "NEWS" right along every week, regardless of what anyone says.

"Clean Up the Bowels and Keep Them Clean"
There are many remedies to be had for constipation, but the difficulty is to procure one that acts without violence. A remedy that does not perform by force, what should be accomplished by persuasion is Dr. Miles' Laxative Tablets. After using them, Mr. N. A. Waddell, 315 Washington St., Waco, Tex., says:

"Almost all my life I have been troubled with constipation, and have tried many remedies, all of which seemed to cause pain without giving much relief. I finally tried Dr. Miles' Laxative Tablets and found them excellent. Their action is pleasant and mild, and their chocolate taste makes them easy to take. I am more than glad to recommend them."

"Clean up the bowels and keep them clean," is the advice of all physicians, because they realize the danger resulting from habitual constipation. Do not delay too long, but begin proper curative measures. Dr. Miles' Laxative Tablets are a new remedy for this old complaint, and a great improvement over the cathartics you have been using in the past. They taste like candy and work like a charm. A trial will convince you.

Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory after trial, return the box to your druggist and he will return your money.
