LEBANON TEAM DEFEATED IN STAYTON

LOCALS HAVE THE VISITORS AT THEIR MERCY

Lebanon Pillschooter Would Make a Better Pillroller—Visitors Are Badly Outclassed

Lebanon has many bright men and beautiful women, but very, very, few ball players. This fact was emphasized last Sunday when the Lebanon ball team tried to beat the locals on the home grounds.

The day was fine and warm and a large number of Stayton fans were out as well as a nice bunch from the Linn county town.

Once in awhile, one of the visitors connected accidentally with one of Cole's dope pills, but as a general rule it was one, two, three.

Bates, the Lebanon pill shooter, was a misfit, he should have been at home picking strawberries.

The visitors never did have much of a chance to score, while the locals piled up seven, and would have had several more if Thoma had not fumbled two near second base.

We don't know what they drink in Lebanon, but by the way our artist caught them below it must be Coca Cola. Rest up boys and take a good long snooze and some day we'll try it again.

TWO POPULAR YOUNG PEOPLE WED TUESDAY

A very pretty wedding took place Tuesday morning at the Catholic church in this city. The contracting parties were Joseph Sherman and Miss Lena Fischer.

The bride is the daughter of Mr. and Mrs. Chas Fischer of this city. The groom is a prominent rancher and prune raiser of Shaw.

The ceremony, which was performed at 9 a. m. by Rev. Laineck, was followed by a wedding reception at the home of the brides parents on Third St.

The young couple will make their home on a farm near Shaw, Oregon.

FIXED UP IN FIRST CLASS CONDITION

Fred Rock, since he has bought out the Pastime Confectionery and Cigar Store has fixed up the place considerably and will put in a complete line of all kinds of confections. Fred expects to keep his place in such shape that it will be perfectly proper at all times for women and children to come in and trade.

WILL MEET AT MEDFORD

Good roads workers of two states will meet at Medford June 6, when the proposed new road between California and Oregon will be discussed. The route, lately surveyed is designed to avoid bad grades in the present road. A campaign will be started by Jackson County for the issuance of bonds for road purposes.

BRIDEGROOMS MUST ALL BE EXAMINED

After Tuesday of this week all bridegrooms making applications at the office of the county clerk for a marriage license must present to the county clerk the certificate of a licensed physician, made under oath, that the applicant for such license is free from contagious or infectious venereal disease.

The physician's certificate must accompany the application for a marriage license or the document will not be issued. This law was passed by the last legislature and is effective in every county in the state of Oregon.

Under the terms of the law the maximum charge allowed a physician for making the examination and issuing the certificate will be \$2.50. Destitute men may secure the examination by application to the county physician if they are indigents.

Before any county clerk in this state shall issue a marriage license, the applicant therefor shall file with the clerk from whom such license is sought, a certificate from a physician duly authorized to practice medicine within the state, under oath, within ten days from the date of filing the same, showing that the male person thus seeking to enter the marriage relation is free from contagious or infectious venereal disease.

Any physician who shall, knowingly and wilfully, make a false statement in any certificate issued, as herein provided, shall be punished by the revocation of his license to practice his profession within the state.

NEW REGISTRATION LAW NOW IN EFFECT

A new registration law went into effect on June 3. It differs from the old law substantially in that a voter must be registered to be able to cast his ballot.

This registration is expected to be permanent and need not be renewed as long as the voter remains in the same precinct and votes at each election.

Women must register as well as men. All aliens MUST bring their papers to the official Registrar. There is no fee for registration.

Be sure you know the Tp. Range and Section in which you live. Two freeholders must sign as witnesses. All statements must be sworn to. You can register at any time up to within 30 days of the general election. You MUST register if you wish to vote. You cannot swear in your vote on election day. Register at the office of The Stayton Mail for Stayton Precinct. E. M. Olmsted Official Registrar.

COMMERCIAL HOTEL CHANGES HANDS

F. O. Bryant, who has taken charge of the Commercial Hotel in this city, is an old experienced hotel man in Los Angeles, Santa Barbara and King City, California.

Mr. Bryant expects to put the hotel in first-class shape. He will have the rooms repapered and repainted, the dining room and office will be much improved, the exterior will be painted, the grounds will be put in an attractive and homelike shape and a new cement walk will be laid on both the west and south fronts.

Mr. Bryant states that the best of help will be employed and that if good service and courteous treatment will tempt the traveling public, that he hopes to obtain their patronage.

HOME TALENT IN A GRAND MUSICAL HOTCH POTCH

Over Forty Stayton People In The Cast Don't Come If You Have A Weak Heart

Frankie Earle in Her Famous Butterfly Dance

There is to be something novel and original for our pleasure lovers at the Stayton Theatre Wednesday night under the auspices of the Stayton Base Ball Club and the direction of Prof. Merrill of San Francisco. Prof. Merrill comes well recommended from many different towns and cities in this state. He is an instructor of great merit, having made a name for himself in several states in the union. There will be 40 home people in the cast, and judging from the rehearsals the show will equal the work of any show that has struck Stayton in many a month.

This show can not be classed with the usual home talent performances as the instructor is a professional and understands his business. His wife is also an accomplished actress and will give several specialties herself, including the Beautiful Butterfly Dance.

The acting will be far in the lead of any home talent performance heretofore given in Stayton on account of the instructions.

Prof. Merrill has been very successful in all his performances in this state and there is very little chance of his not making good here. In Springfield, Lebanon, Independence and Silverton he played to big successes and in every town where he has put on these productions the papers and critics have given him credit for doing what no other man had done in their town, and judging from the recommendations he brings, the people of this city will get their money's worth. So don't forget the date, Wednesday, June 11. Get your seats early and avoid the rush as the house will be packed to the doors. Watch for small bills.

A SPLENDID START

A splendid start has been made by the State Immigration Commission in the work of attracting immigrants from Northern Europe. A German hearing, held recently, was productive of valuable suggestions and many districts will co-operate in bringing settlers here, as well as in aiding them on their arrival. Swedish, Norwegian, Danish and Dutch conferences along the same line will be held by the Commission.

SALEM TO STAYTON RAILROAD MEETING

Pursuant to a call by a bunch of Salem handbills distributed over town the night before, a fairly goodsized crowd met in the Stayton Theatre last night to hear what a double auto load of Salem boosters and railroad men had to say.

Those who came over from the Capital City were: John McNary, Theo. Roth, J. H. Cradelbaugh, E. Hofer, J. F. Mounce, A. L. McLeod, G. A. Kyle and G. F. Taber. For some reason, best known to the promoter, J. F. Mounce, The Mail was not advised last week of the proposed meeting, and comparatively but few people saw the handbills.

All of the visitors and a few Stayton men took the opportunity to expound their different views on the subject of railroads. The last proposition by promoter Mounce is that the people of Stayton and vicinity buy a few shares of stock in the proposed line. The exact amount was not stated, but the idea seems to be general that about \$20,000 worth would fill the bill.

While the editor of this paper wants a railroad into Stayton just as badly as anyone in the town, it is a fact that we will wait a long while for one if it must be built by stock sales in this city and vicinity.

We have shown our interest in the matter, John McNary and J. F. Mounce to the contrary notwithstanding. We have granted a franchise over our streets that, if the road is built and goes on through to Eastern Oregon will be worth many thousands of dollars. Mr. McNary and Mr. Mounce have shown their faith by their works, now let these mythical backers come forward and reap the harvest if they want it.

We wish to publicly thank all the Salem crowd that came over last night, for the entertainment they afforded us, and ask them to come back again.

CAN RAISE SHEEP EQUAL TO ENGLAND

That the Willamette Valley is the one section of the United States that can raise sheep equal to those of England, was the statement made by Prof. Thos. Shaw, agricultural expert for the Great Northern Railway, in a recent talk at Salem. He also said that here in this state conditions are such that pork can be produced for less cost than is the case in the corn belt of the Middle West, while butter can be produced for 50 per cent less than in New England. Prof. Shaw insists that the Oregon farmer is, as a rule, neglecting his opportunities.

ANNUAL BASEBALL GAME THURSDAY

On next Thursday, June 12, the saw-mill men and the heavyweights of the Gardner flour and excelsior mills will pull off their annual stunt.

That it will be some exciting contest goes without saying. It is rumored that A. D. himself will assist the boys in his employ, but be that as it may, Fatty Hewitt will sure be on the diamond and its worth something to see him run.

Remember Thursday June 12, 6 p. m. sharp. Bills with line-up will be out soon.

A. S. Davie's little two-year-old boy fell off the porch yesterday and broke a bone in his left arm near the elbow. Dr. Brewer set the member.

MILL CITY TALENT WILL PLAY IN STAYTON

"A KENTUCKY BELLE" TO COME HERE JUNE 7

Mill City People Under The Auspices Of The Maccabees Will Show Here Saturday Night

"A Kentucky Belle" was presented at the Mill City Opera House last night to a crowded house every seat was taken and standing room at a premium, and by far the largest crowd that ever before witnessed a performance of any kind at Mill City.

The Knights' Of the Maccabees have reason to be proud of the success of their first play at Mill City. The play took well and frequent applause greeted the actors. These amateur players, all local talent, showed that they had been carefully trained and had been doing much practicing. Many professionals on the stage are not nearly so clever.

Credit must be given Sir Kt. Geo. C. Peil for picking out such clever players and giving the play in the manner that he did, the stage settings were the finest ever shown in Mill City, every little detail was carefully looked after and everything went off without a hitch.

The play is the present time, which happened in the blue grass region of Old Kentucky and the comedy was very good. Special mention must be given the lady actors. Miss Elizabeth Denny as leading lady carried her part through in a way that would make most professionals ashamed of themselves, she not only looks the part of a Kentucky Belle but acted one throughout the entire performance. At no time did she lose her presence of mind but was a leader throughout the whole play and with Miss Denny acting up to her part the ladies were strong. Miss Jessie Harris as Marie Van Harlinger, with her winning ways and smiles brought frequent applause time and time again from the crowded house.

In the second act where she hides behind the screen and listens to Col. McMillen's proposal, the house was in an uproar all the time. Her young ladies who played the part of Village girls, all received bouquets in the first act after their song, "I Want To Be In Dixie." Miss Catherine Moritz as Miss Maria Douglas with her aristocratic ways, was just fine. Mrs. Roy Cole as the Nurse, looked the part and played her lines in a way that showed that she had trained herself carefully for her part.

Last but not least Miss Remoh Evens in the part of Cindy, a negro maid, was a whole show in herself. The cake walk and dancing by Henry and Cindy was just treat. The other ladies did their part well, and the men all acted their parts in a professional way.

Roy Cole as leading man was strong throughout the entire performance. Carl Mason as Col. McMillen was sure an old man at all times. Bert Duncan as Head Line man was very good, Henry the negro boy by Mr. Hill did good work, while Geo. G. Peil as Dr. Ramson was the good Doctor at all times.

The Play will be repeated at the opera house at Stayton, Saturday night June 7th, and we feel sure that the Stayton citizens will appreciate "A Kentucky Belle." For it is a good clean show.

A Mill City Citizen.

WILL RUN AN EXCURSION NEXT SUNDAY

An excursion will come down from Mill City to Stayton Sunday, June 8. Incidentally they will bring along their ball team and contest another game with the locals.

Everybody is confident that the Stayton bunch will put up a fast game and give the Millmen a run for their money even if the fellows from the upper Stayton have scored two counties to secure good players.

If you want to see a good game at the ball park next Sunday, come. Game call at 2:30. Admission 25c.
