STAYTON DEFEATS BROWNSVILLE SATURDAY

CAPTURES GAME IN THE 6TH INNING

Game Was Played During Down Pour Of Rain—The Feature of the Game Was Brownsville's Base Sliders

Last Saturday the Stayton ball team went to Brownsville through the rain to play ball. It was some trip, as Geo. Glover and Tom Riggs, who took the boys in their auto, can testify.

The start was made from here at 8 a. m. and the arrival in Brownsville was at 12.

In the afternoon the game was started during a nice spell of weather, but in a few minutes it began to rain, but the game went on.

It was sloop, slash, bingle all the way through. The pitchers box was over shoe top in water, and after a few slides like the one below it was impossible to tell the boys apart.

Brownsville's Sliding Star

The game which was a five inning affair, but stretched into a six, was won by Stayton to the tune of 8 to 7. Just ask the Stayton base ball team how they like to play mud ball.

YOUNG COUPLE NEAR AUMSVILLE WED

A pretty wedding took place at the home of Mr. and Mrs. M. C. Von Behren, two and a half miles south of Aumsville, on Wednesday June 18th at 2:30 p. m. when Miss Edith Von Behren became the wife of Mr. Ralph D. Putnam, a student of the Eugene Divinity School. The wedding ceremony was performed by Prof. D. C. Kellem of Eugene and the wedding march was played by Miss Edith Wood. The guests numbering about fifty; were seated under a nice evergreen arbor in front of the house, while the minister and the contracting parties, supported by Mr. Walter L. Meyers and Miss Mammie Von Behren as best man and bridesmaid stood on the front porch under a beautiful floral bell of marguerites.

After the wedding ceremony light refreshments were served. Many beautiful and useful presents were received by the happy couple. Late in the afternoon the guests departed, all wishing Mr. and Mrs. Putnam a long life of happiness as well as usefulness, in the years to come.—Aumsville Record.

OREGON TO HAVE FISHING INDUSTRY

Oregon is likely to become the center of a great fishing industry within the near future if the investigations of the Government confirms the report of extensive halibut banks off the coast of Lincoln County. A large number of launches are now being fitted out at Newport, on Yaquina Bay, for the purpose of exploiting these recently discovered banks, and those which have already started operations are returning to port with capacity loads of splendid fish. The extent of the banks is stated to be sufficient to supply the Pacific Northwest with fish for years to come.

FIREMEN'S BALL A COMPLETE SUCCESS

The Firemen's Ball at the Opera House Tuesday night was an entire success socially if not financially. The weather was pretty bad for a large crowd but everyone who did come enjoyed themselves hugely.

The boys had an ice cream and peanut stand in the corner of the room and it was quite well patronized.

The affair was not gotten up with the intention of making any money but just as an advertisement that Stayton still had a fire company.

New recruits are badly needed as the old ones are continually dropping out as soon as they have served the necessary time.

It will not do to let the fire company run down. When they are needed they are needed badly.

A small rebate is allowed all members on their city water rent. Better investigate and join Stayton's Fire Department.

BUYS INTEREST

Bill Cladek is back from Washington. He has bought a half interest in his brother's blacksmith shop. The new firm will be known as Cladek Bros.

RAILROAD WORK TO BEGIN THIS SUMMER

Under a joint agreement of the Southern Pacific and Santa Fe railroads it is announced that a new railroad will be built along the Oregon coast, construction to begin at the present northern terminus of the Northwestern Pacific line at Sherwood, Cal. The road will be built up the coast to Myrtle Point, in Coos county and will then proceed up the valley of the Rogue River, connecting with the So. Pac. main line at Grants Pass. It is stated that work will begin this present summer.

Mrs. Lillie Goodman who received the set of dishes given away at W. F. Klecker's store last Wednesday, was certainly fortunate in getting the set on Wednesday of this week also.

FROM THE TURNER MEETING

It has been quite rainy for the state convention, nevertheless a large crowd is attending. Over forty ministers from several states being present.

The Stayton people who are camped on the grounds are; W. E. Thomas and wife, Mrs. W. H. Hobson, Mrs. T. C. Crabtree, The Misses Morton and Mrs. Lampman.

Dan Shields a forest ranger while putting up a telephone line about 6 miles above Hoover fell from a tree and broke both bones below the knee in his left leg. He was carried to Hoover where Dr. Beaucamp set the limb.

COMMITTEE TO SEE THAT THEY GET SQUARE DEAL

That would-be settlers coming to Oregon have in many instances, been victimized by unscrupulous land speculators and that the state as a whole has been injured by their operations, is a statement made at the annual convention of Oregon bankers recently held at Corvallis, and the attending delegates expressed a determination to co-operate with the commercial bodies throughout the state in an effort to put greedy real estate men out of business. The plan does not contemplate the entire elimination of land selling agencies, but does propose to annihilate the sharks who have been speculating in good Oregon soil, taking it out of production and holding it for an unreasonable increase in price.

It was decided to form an appraisal committee in each community to pass on the prices of lands, the committee to consist of two members of the local commercial body and one banker, and intending purchasers will be advised to purchase no real estate from any dealer until the value of same has been passed upon by the appraisers and the price asked decided to be a reasonable one. It was stated as a fact that much of the agricultural land in Oregon is held at too high a figure. There is doubtless plenty of good land which can be obtained at a fair price, but the newcomer usually unfamiliar with local values and conditions, seldom hears of that land. The committee will see that he gets a square deal.

TWO ACCIDENTS SAME DAY

The fifteen-year-old son of Mr. and Mrs. Mayer near Scio was thrown off a horse last Wednesday and had his left arm broken between the shoulder and elbow.

Mr. Mayer had the misfortune to have his thumb torn off with the halter rope by the same horse the same day. Dr. Brewer attended to both cases.

FIRST MEETING WAS HELD AT PORTLAND

To the Pacific Northwest goes the honor of providing a man to head the American Association of Nurserymen for the coming year. The convention of the association held in Portland last week was the first meeting of the organization ever held west of the Rocky Mountains, and at its final business session, Friday morning, J. B. Pilkington of Portland was unanimously elected president. The 1914 meeting will be held in Cleveland, Ohio, and at that time a strong effort will be made to bring the association to San Francisco for its meeting in 1915.

Vic Davie, Tom Smith and Jesse Waters brought in a fine basket of trout yesterday evening.

Frank Caspell of Waldo Hills was in town Tuesday at Dr. Brewer's office with a bad case of blood poisoning in his right arm caused by a scratch on a wire.

We noticed "Truck" Robertson going down the street Monday with a big smile. We asked Dr. Brewer what ailed him, and the Doctor said. Sh! A big 10 lb. boy.

Porifireo Olivi, the Mexican, while working in the Kerber sawmill had two fingers of his left hand badly lacerated last Friday. Dr. Brewer attended to the injury.

PRETTY WEDDING YESTERDAY NOON

Congratulations Showered On The Happy Young People By Their Many Stayton Friends

An unusually pretty wedding service was solemnized at the E. Dunagan home in this city yesterday June 25.

Promptly at twelve o'clock the strains of Mendelssohn's Wedding March, played by Mrs. G. F. Korinek, was heard and a veritable ribbon lane was made down the stairway by the Misses Ollie Hepburn, Hazel Overlander, Elsie Fox and Jeanne Shreve, while the tiny Jewel Fox and Ruth Sturgis showered flowers in the bride's pathway. Master Leslie Dunagan carried the ring in a white lily.

The ring bearer was followed by the groomsmen Thomas Dunagan and the groom Clyde Hoffer, who were attired in the conventional mode.

Next came the bride, Miss Stella Dunagan and her Maid of Honor Miss Maude Dunagan. The bride was attired in white messaline with an oversize of white chiffon and carried a bouquet of white Crochet roses. Miss Maude Dunagan was dressed in white silk flowered voile and carried beautiful Marchal Neil roses.

The minister, Rev. Mace, used a short ring ceremony which was very beautiful and impressive.

After the congratulations, a sumptuous four-course wedding dinner was served.

The couple were the recipients of many beautiful presents.

After a short stay here the young people will go East to Osceola, Nebraska, the former home of the groom.

POSTMASTER EXAMINATION

A civil service examination is to be held in Salem Saturday for the job of postmaster at Aumsville. The job pays \$548 per year.

Geo. Brown went to Salem today on business.

John Taylor had a very peculiar accident yesterday. He and his brother Tom were laying a floor and Tom was driving a hatchet in a crack to bring the boards together when a small piece of the hatchet flew into John's right temple causing a painful wound. Dr. Beaucamp dressed the injury.

BIG NEGRO WOMAN EVIDENTLY INSANE

At Portland last Thursday, a big negro woman raised the neighborhood by appearing on the streets without even a hobble on. The only touch of color in her costume was a dark brown tout ensemble, and her gown was a tight fit, even tighter than the average hobble. She was evidently insane, for she fancied she was being attacked by men of her race. When officers arrived on the scene in response to several hundred hurly up calls, the woman was cranking an auto and preparing for a joy ride. If the officers had been a few minutes later there surely would have been a great story for some young reporter to try his hand on.

ANTI-SALOON MAN WAS HERE LAST SUNDAY

Benjamin R. Perkins, field secretary of the Oregon Anti-Saloon League, spoke to an audience at the Opera House last Sunday evening.

The churches had all dismissed for the occasion, but the seats in the Opera House were only about two-thirds filled.

Mr. Perkins is a young man and evidently had not had much experience in public speaking.
