Greatest Sale in Albany's History

Ordered by the landlord to move. Store crammed to the ceiling with the finest stock of merchandise in Linn or Benton Counties. No available storeroom vacant. We must positively sell everything in this magnificent stock regardless of price or profit.

Is the verdict of everyone who has attended

CHAMBERS & McCUNE'S "Forced to Move" SALE!

On October 3 we opened the doors of our establishment with a firm determination to sell every article in our stock before our present lease expires. Thousands of eager buyers have thronged our store and have gazed in wonderment at the tremendous sacrifice we are making on this stock. No finer selection of high grade, dependable merchandise was ever gathered together in the Willamette Valley. We had resolved to make 1913 the banner season of our business career—every known maker was implored to send his best merchandise—the array of suits, cloaks, millinery, shoes and dry goods were astounding in their beauty and style. THEN THE LANDLORD SERVED NOTICE UPON US! WE HAD TO MOVE! THERE WAS NO ALTERNATIVE!

\$100,000 New Fall and Winter Stock of Women's Suits and Cloaks, Millinery, Shoes and Dry Goods Sacrificed!

right at the beginning of the season. Only two weeks ago we held our Fall and Winter Opening. Public opinion then was that the Chambers & McCune stock was without an equal in the Valley. Just four days after that our landlord served his notice. Inside of two weeks former prices and profits had been cut to the breaking point. Our only hope is to dispose of every vestige of this wonderful stock before our lease expires. Every article has been reduced in price. New Suits and Cloaks have been marked ridiculously low.

Every Article Must Be Sold Before Lease Expires---Nothing Will Be Moved!

We must clear the store. Not one article will be moved! This is your golden opportunity to buy the finest merchandise that ever came to the Willamette Valley at "Forced to Move" prices. Don't delay. Come to Albany to-morrow and secure first pick.

From all over Linn and Benton Counties people are coming to this greatest of all sales.

A legitimate sale with a legitimate purpose. We are forced to move; the prices speak plainly of our predicament. You, too, have the opportunity to benefit by our misfortune.
