### HAIR DOESN'T DIE-- IT HAS TO BE KILLED

Hair often continues to live and grow long after the death of the body. But it is often killed through neglect or misuse. Almost always the woman or man whose hair is falling out, or is stringy, lifeless and dull-looking, is entirely to blame because of not giving it the proper care. It is easy to take care of the hair--easy to make it more beautiful. Use Harmony Hair Beautifier, to make it glossy, soft and silky, and Harmony Shampoo to keep hair and scalp thoroughly clean.

Harmony Hair Beautifier, delightfully perfumed with true rose, is very easy to apply--simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo is most convenient to use, giving an instantaneous rich, foaming lather that immediately penetrates to every part of the hair and scalp, insuring a quick and thorough cleansing. It is washed off just as quickly, the entire operation taking only a few moments. Contains nothing that can harm the hair, and leaves no harshness or stickiness--just a sweet cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store--The Rexall Store--one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, where the many celebrated Harmony Perfumes and Toilet Preparations are made. Beauchamp's Drug Store, Stayton, Oregon.

### DID IT EVER OCCUR TO YOU?

A woman who was too economical to subscribe for her home paper sent her little son to borrow the copy taken by her neighbor. In his haste the boy ran over a four dollar stand of bees, and in ten minutes looked like a warty Summer squash. His cries reached his father, who ran to his assistance, and, failing to notice a barbed wire fence, ran into it, breaking it down, cutting a handful of flesh from his anatomy and ruining a five dollar pair of pants. The old cow took advantage of the gap in the fence and got into the cornfield and killed herself eating corn. Hearing the racket the mother ran, upset a four gallon churn of rich cream into a basket of kittens, drowning the whole litter. In her hurry she dropped and broke, past all hope of mending, a twenty-five dollar set of false teeth. The baby, left alone, crawled through the spilled cream and into the parlor, ruining a twenty dollar carpet. During the excitement the eldest daughter ran away with the hired man, the dog broke up eleven setting hens, and the calves got out and chewed the tails off four fine shirts.

And all to save a dollar and a half!

### DO YOU SUPPOSE THAT THIS IS TRUE

A parody on Casey I'm going to write, and you will say when you read it that it's clear out of sight. He left his bed very early one morn, and he mounted his engine and he tooted his horn.

He said to his fireman turn on your oil for we're going through to Springfield and we're going to boil. As he passed the junction and hit the McClay hill he turned on the steam with a free good will.

He passed through Shaw lickety skin and hit old Aumsville with a sickly grin. He gave the soup as he went down the grades, and passed West Stayton like the hinges of hades.

The fireman's hair began to stand, as they crossed the bridge o'er the Santiam. With his hand on the throttle he opened it wide, and said there's one more road I'de like to ride. The fireman said what can it be, it's known to everybody as the C & E.

North Santiam he very soon passed, and shot through Shelburn with a thrill and a blast. He crossed the river and turned to the right, and soon left Lebanon clear out of sight.

He headed for Springfield with a puff and a roar and he told the fireman that he had been there before. When he ended his journey he looked very calm, and he asked his fireman do you know who I am.

My story is ended now what do you think is Casey a hero or is he a crank. There is one thing we know his fame spread like fire and if he's not promoted then I guess I'm a haw.

H. H. Crane, Aumsville, Ore.
