MEXICAN REBELS TO MARCH ON CAPITAL

General Villa Says That Three Armies Are Working Together to That End.

Juarez, Mexico.—Northern Mexico, embracing the states of Sonora, Chihuahua, Coahuila, Nuevo Laredo and Tamaulipas, and including the territory from the border to a line 500 miles southward, will be wholly under the authority of the rebel forces within two weeks. The forces which are fighting Huerta will then join at Guadalajara, with a view of marching on to Mexico City. This is the rebel plan of campaign, General Francisco Villa, the rebel leader, asserted.

This campaign, Villa said, contemplated not only the capture of Chihuahua city, but also the spreading of the rebel or constitutionalist authority farther south. In this Villa is to be joined by General Carranza, the head of the revolutionary movement.

"We will move right on to Mexico City," said Villa. "That is our destination. Our forces are working together. The troops now in Sonora will move southward, attacking Guaymas on the way. Those in the east now centered around Victoria, will move southwest, while I will go right down through the heart of the country. On the way I will take Chihuahua, where I will be in command within ten days. Then I will join the eastern and western wings of our army at Guadalajara. Combined we will march to Mexico City."

YEGGS ROB OREGON BANK

Safe Cracked and About \$12,000 Carried Away By Robbers.

Roseburg, Or.—Entering the vault of the Myrtle Point Bank through a small opening on the second floor of the structure, yeggs dynamited the iron safe and escaped with currency and gold aggregating \$12,000.

The robbery was discovered in the morning when the officials opened the bank for the day's business. Ira Cornelius, a stage driver, says he thinks the bank was robbed shortly after 2 o'clock in the morning, as he heard an explosion at that hour.

Entrance to the depository was gained through the office of attorneys, who occupy quarters directly above the bank.

INDIANAPOLIS UNION TEAMSTERS STRIKE

Indianapolis.—The Teamsters' Union voted unanimously to go on strike. The union, which includes the commercial chauffeurs, has between 1500 and 2000 members.

An order was issued Saturday preventing the congregating of crowds and the police were told not "to hesitate to use other means" if persuasion failed to disperse the gatherings.

In addition to the extra policemen, 250 business men were sworn in as a reserve force. These men were provided with uniforms and guns and are quartered in Tomlinson Hall, where they will be held until the strike is settled. The men are commanded by officers of the Indiana National Guard.

For four months Indianapolis has been agitated with labor troubles which have resulted in the resignation of Mayor Shank, Superintendent of Police Hyland and W. E. Davis, president of the Board of Public Safety, and a general shakeup in the city administration.

During the last streetcar strike there was so much rioting that the entire state militia was called out, by Governor Ralston.

Oregon State Tax Higher.

Salem, Or.—Because of the inability of the state tax commission heretofore to anticipate state expenditures and make approximately uniform levies, the levy this year, according to figures given out by the commission will be the largest in the history of the state. The total assessed valuation of the state is \$954,282,374, an increase of \$49,270,695 over last year, and, despite this increase, there will be a levy of at least 5 mills as against a levy of 1.45 mills last year.

Ship Ashore; Five of Crew Rescued. Aberdeen, Wash.—Pounding to pieces just outside the Grays Harbor Jetty, a four masted schooner went ashore, and five members of her crew were rescued after passing many hours clinging to the rigging, to which they were driven by the terrific sea which sent the vessel on the beach and placed all in great peril.

Starving Federals Desert Chihuahua. Juarez, Mexico.—Rather than endure starvation, the federal troops have evacuated Chihuahua City, which has been under siege for weeks, according to advices received by General Francisco Villa, the rebel leader. The evacuation leaves the city open to occupation by the rebels.
