HOW TO TAKE GOOD CARE OF YOUR HAIR

Nothing spoils your good looks so much as homely hair—stringy, dull-colored, harsh. Nothing adds to good looks so much as beautiful hair—soft, silky, wavy and glossy. No matter how beautiful your hair is now, you can improve its good looks by using Harmony Hair Beautifier. If your hair is homely and ugly now, Harmony Hair Beautifier will make it softer, silkier, glossier, more beautiful in every way. It also makes it easier to put up and helps it to "stay put." Its rich rose odor hides the unpleasant, oily smell of the hair. Harmony Hair Beautifier is rightly named; it beautifies the hair.

Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet-smelling cleanliness.

Both preparations come in odd-shaped, very ornamental bottles with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made.—Beauchamp's Drug Store, Stayton, Oregon.

RAMBLING SAM GETS ANSWERED

Now, Rambling Sam you rascal as you're never out of town, where are you always loafing when the Poet's sitting round, a drinking beer and talking, on the question wet or dry. Why are you there yourself young man, will you tell the people why?

You seem to know this poet, though he is a noted man, so you must have been out with him, when he rushed the can.

Now the poet's own wife is as mad as the duce and you will have to hoist the white flag of truce, or else your red hair she will scatter to the winds and make you repent of all your known sins, for she thinks this old poet is about all there is, and she is going to uphold this character of his.

So now then Sam will you get down in the dust, and beg of the Poet to be merciful and just. Then come to my office and wet up your lip and the bug juice of glee together we'll sip. We will talk of good roads as we sit with crossed feet, and we'll both spit together at the goat on the street.

I care not how you voted for Lincoln or Polk, as long as my temper you never provoke. I see you're poet yourself Rambling Sam, but I can't see my lifework go down with a slam. If you will donate a dime the bucket to fill, we'll shake hands with pleasure and bare no ill will. The Aumsville Poet
