

ROOSTER INJURES BOY.

One Eye Picked Out as He Tried to Protect Sister.

South Norwalk, Conn.—Mabel, the four-year old daughter of Mr. and Mrs. Griever Lent of this place, was knocked down by a rooster, and her brother Victor, one year her senior, who went to her rescue, had one eye picked out and the other one seriously injured.

Mabel had gone to collect eggs in the henry when the rooster, a large Plymouth Rock, pounced on her and bore her to the ground. The rooster's spurs lacerated her arms and legs, and she cried out in pain. Had she not held her arm over her face she might have fared the same as did her brother.

Her screams brought Victor to her side. He attempted to fight the rooster, only to be knocked down and seriously injured. The children's parents hurried to the scene. The father chopped off the head of the rooster and threw him in the river.

Physicians hope to save Victor's right eye, but the left is gone entirely.

MAN MAY HAVE BEAUTY.

Board of Arbitration Gives Damages For Loss of It.

Danville, Ill.—A board of arbitration in the case of a machinist, Charles Chick, against the Chicago and Eastern Illinois railroad, under the compensation law, has decided that a man can possess beauty and obtain damages for loss of it.

Chick was struck in the eye by a piece of steel last September when at work. The pupil was destroyed, and he asked damages for loss of time, for the handicap by reason of loss of the eye and loss of beauty.

The railway company claimed that a man does not possess such a thing as beauty, but the board decided Chick's appearance had been damaged \$200 and that he suffered \$500 more in damages to his eye and in loss of time.

The board was comprised of five attorneys named by the court and was headed by Arthur Hall, famous University of Illinois football coach.

PLAN TO ABOLISH CONVICT LEASING

Alabama System Is Declared to Be Inhuman.

Birmingham, Ala.—With the purpose of taking all of the thousands of Alabama convicts out of the mines, lumber mills and turpentine camps a state wide movement to abolish the obnoxious lease system is in progress, participated in by the best element of citizenship in the state. At a great mass meeting addresses were made picturing the greed, graft and cruelty of the system, and announcement was made that it would be a fight to a finish between the state's humanitarian spirit on the one side and corporations and professional politicians on the other.

The spirit of the movement was embodied in the question "Shall we send the man who has served his sentence back home a better citizen or drive him to slavery and criminal mania?"

Instances were cited where men had been sentenced to long terms at mine labor for shooting craps, neglecting to work on the roads and stealing rides on trains.

Mrs. Julia Tutwiler, noted for her work for prison reform in the south, sent a message of indorsement, in which she pleaded for night schools for convicts, humane hygienic conditions and other reforms tending to make the life of the man in stripes endurable.

An executive committee was appointed to carry the fight into all of the sixty-seven counties of the state and pave the way for a deciding battle in the next legislature. Captain Frank S. White of Birmingham, former chairman of the Democratic state executive committee and for years general counsel of the mine workers of Alabama, was made chairman of the committee. Twenty other representative men of influence throughout the state will help in a whirlwind campaign. In addition each county will have a strong committee.

For years there has been talk of ugly treatment of the convicts in the mines, lumber camps and turpentine mills. In half a dozen or more explosions in coal mines within a few years a hundred or more convicts had been killed. But nobody seemed to worry over their fate.

The state leases about a thousand convicts to several large coal mining and lumber industries and nets from it over half a million dollars a year after feeding, clothing and guarding the men. An average of thirty dollars a month is paid to the state. Each convict is required to do a certain task.

LOCAL WOMAN NOW A BIG ADVERTISER

When one of our women customers recently bought five bottles of Harmony Hair Beautifier to give to her friends for Christmas, she started all by herself a mighty big advertising campaign, because not only does each one of the women to whom she gave a bottle of the Beautifier now consider it indispensable for the proper care of the hair, but each of them has been the means of getting several of her friends to use it. As a consequence, if things keep on in this way for a few months longer, we will be selling more of it than of all other hair preparations combined. Sprinkle a little Harmony Hair Beautifier on your hair each time before brushing it. Contains no oil; will not change color of hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather, that immediately penetrates to every part of hair and scalp, insuring a quick thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall Stores, and in this town only by us.—Beauchamp's Drug Store, Stayton, Oregon.

Many a Stayton Reader Will Feel Grateful For This Information

If your back gives out; Becomes lame, weak or aching; If urinary troubles set in, Perhaps your kidneys are "in a bad way."

Don't delay—use Doan's Kidney Pills.

Here is good evidence of their worth. Mrs. C. Anderson, 620 N. Fourteenth St., Corvallis, Ore., says: "I had such a bad spell of kidney trouble that I had to go to bed for several days. When I did get up, I could hardly move. Doctors' medicine didn't seem to do me a bit of good. One of my family brought home a box of Doan's Kidney Pills and I tried them. I was surprised at the quickness with which they helped me. The pains left me and my kidneys were strengthened. By the time I had used one box of Doan's Kidney Pills, I was well. I have used Doan's Kidney Pills off and on since with good results. Another of my family has also had great benefit from Doan's Kidney Pills."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Anderson had. Foster-Milburn Co., Props., Buffalo, N. Y.
