FOR CONGRESS W. C. Hawley CANDIDATE FOR RENOMINATION

at the Republican Direct Primary on Friday, May 15, 1914

He has gained high standing and useful experience in Congress, which is at the service of every locality in the District.

He freely and gladly does all that can be done for every man, women and child in the District who makes a request, and has aided thousands.

When Congress is not in session, he spends the time going over the District learning its needs and the wishes of the people.

Members of the Rivers and Harbors Committee have said that he knows more about the waterways in his District and presents their merits more effectively than any other who appears before them.

FOUR PER CENT of the WHOLE amount appropriated in the present Rivers and Harbors bill is for this District.

He has already secured over \$4,000,000 for waterways, buildings and other public purposes and will add to that at this session over \$2,000,000 more which is an average of over \$870,000 per year.

He is Just as Diligent, Persistent and Successful In All Other Matters

Promoting the Welfare of The People and The Country. A Vote For Him is a Vote For a Faithful, Industrious, Honest, Able and Effective Public Servant.

Congress being now in session he leaves his candidacy in the hands of the voters, to whom he is profoundly grateful, while he serves their interests in Washington.

He will appreciate all that is said and done in his behalf.
