### SCIO WALLOPS STAYTON IN GOOD SHAPE

Although it looked extremely like rain Stayton went to Scio last Sunday to give the Scio lads a chance for their scalps and by all reports the Stayton top-knots are still hanging from the Scio tepees.

About the only sensational play made was a fine catch by Bobbie Simms of Scio.

Stayton's star base stealer as everyone knows is Fitz Goodman, but he got nailed near home plate by the Scio catcher in the third inning.

We are almost ashamed to say what the score was but with a Russell pitcher, Russell catcher and Russell umpire it could hardly have been otherwise, for "Blood is thicker than water," as everyone knows.

Owing to the injury of Cole's pitcher, "Truck" Robertson pitched for Stayton. The score was Stayton, 3; Scio, 10.

We also carry a large stock of wall paper on hand at all times. We have remnant patterns, enough for small rooms at

### DANGER IN DELAY

Kidney Diseases Are Too Dangerous for Stayton People to Neglect.

The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, gravel and Bright's disease often follow in merciless succession. Don't neglect your kidneys. Help the kidneys with Doan's Kidney Pills, which are so strongly recommended right here in this locality.

O. T. Porter, justice of peace, 614 St., Albany, Ore., says: "Seven or eight years ago, my back was in bad shape and my kidneys were disordered. Doan's Kidney Pills fixed me up all right. They made my kidneys normal and rid my back of pain. Whenever I have needed a kidney medicine since, I have taken Doan's Kidney Pills and they have benefited me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Porter had. Foster-Milburn Co., Props., Buffalo, N. Y.

## C. P. BISHOP

Republican Candidate for State Senator. Never has been an office holder, never was an office seeker, and only after the earnest solicitation of many of the leading citizens of the county did he consent to come before the people. Was raised on a farm in Linn county, Oregon, lived in Marion county the past twenty-three years. Proprietor of the Salem Woolen Mill Store, was one of the original stockholders and incorporators of the Kay Woolen Mills of Salem, and at the present time is president of the Pendleton Woolen Mills of Pendleton, Oregon, has been identified with the material development of the state for the past thirty years. Mr. Bishop believes that the State's business should be carried on with the same prudence and care that the farmer or merchant conducts their business. Mr. Bishop is a taxpayer in Marion, Josephine, Multnomah and Umatilla counties, and is therefore a full sympathizer with present overburdened taxpayers and if the citizens of Marion county send him to the State Senate his interests would be with the taxpaying element of our body politic.
