STAYTON, MARION COUNTY, OREGON, THURSDAY, MAY 21, 1914.

Serial No 948

## PEAGE ENVOYS HOPE TO SATISFY MEXICO

### Failure to Salute the Flag No Longer Factor in Pending Negotiations.

Washington.—Peace delegates of the Huerta government stopped in Washington while on the way to Niagara Falls, Canada, to attend the mediation conference. They are confident of the success of the mission, which, it was learned, is the broad question of pacifying all of Mexico.

Those close to President Wilson and Secretary Bryan assert that the question which is to be mediated is no longer the failure of Huerta to salute, or the offenses committed against the dignity of the United States, but the broad question of pacifying Mexico.

Those who know the viewpoint of the Washington government declare the American troops will not be withdrawn from Vera Cruz until a stable government is established or is in sight in Mexico City.

President Wilson told the American commissioners before they left for the mediation conference at Niagara Falls, Ontario, that the United States will keep its troops at Vera Cruz until a definite settlement of the Mexican problem.

The president gave the American commissioners—Justice Lamar, of the United States supreme court; Frederick W. Lehmann, former solicitor-general, and Diplomatic Secretary H. Percival Dodge—no specific instructions. They were told to place themselves in a receptive mood and await proposals from the three South American mediators.

## REBELS CRY 'VIVA WILSON'

### President Coupled With Carranza By Victors at Tampico.

Vera Cruz.—A heavy rain storm which flooded the trenches and blew blinding torrents into the faces of the federals contributed much to their defeat at Tampico, according to Americans who have come here from that port.

The constitutionalists took advantage of this and poured a terrific fire into them, forcing them back from the outposts into the town. Immediately the federals began entraining.

The constitutionalists came into the town shouting in the air and shouting "Viva Carranza, viva Wilson!"

Cablegrams based on messages from Tampico have been sent to Berlin urging the German government to protest against the forced loans alleged to have been imposed by the rebels.

## PRIMARY ELECTIONS HELD IN OREGON

Portland.—That Dr. James Withycombe, of Corvallis, and Dr. C. J. Smith, of Portland, will be the republican and democratic candidates, respectively, for governor in the November election was indicated clearly by the figures received from the state at large.

It is probable that Dr. Withycombe will have a plurality of about 4000. Dr. Withycombe, it is believed, will come up to Multnomah county with a lead over Gus E. Moser of about 10,500 votes.

Dr. C. J. Smith is nominated by the democrats in all probability by a plurality between 1000 and 1500. His closest competitor is A. S. Bennett, of The Dalles, who is second in both Multnomah county and the state outside.

C. N. McArthur has won the republican nomination for representative in congress in the third district, comprising Multnomah county, by a plurality over A. W. Lafferty, the incumbent, that probably will total 2100 votes.

United States Senator George E. Chamberlain was renominated by the democrats, R. A. Booth received the republican and William Hanley the progressive nomination for United States senator. All were unopposed.

## SCIO WENT DOWN TO DEFEAT SUNDAY

Stayton got their revenge last Sunday on the Scio bunch in good shape. The crowd from the south side of the Santiam were cracked up as some ball players but they lost their goat, cart and harness to the local aggregation on the 17th, inst.

The main "slaughter of the innocents" occurred in the first inning when Stayton ran in six large juicy scores. From then on it was merely a game of tag and you're "it."

Two times the pill was lammed over center-field fence, once by Hobbs of Scio and once by Thoma of Stayton.

A real pretty double was played in the last half of the sixth. Klecker to Humphrey to Rock.

## WOMAN AND BABIES THROWN FROM BUGGY

Some fellow who hardly deserves the name of man drove his auto down the road north of Sublimity Monday evening of this week. The machine scared the horse which was being driven by Mrs. Geo. Owen of near that town and the animal upset the rig, threw Mrs. Owen and children (one of them a baby less than a year old) upon the hard road injuring all three.

Now comes the coward part. The auto driver did not stop to assist the woman and children but drove right on regardless of the havoc he had made.

Geo. Keesh of this city happened along a few minutes later and assisted the unfortunates get somewhat straightened out.

California has a law that takes care of just such cases. Six months in jail for not stopping to assist in an accident. Oregon needs just such a law.

Edwin Keesh of Stayton will attend the Boys' Short Course in Agriculture at the O. A. C., June 15-30, as the representative from the Stayton school.

Red Couldn't Get Them With a Basket

The feature of the game was the Stayton manager's tryout of "Red" Crabtree behind the bat. Crabtree stayed in four innings when he was replaced by Lulay.

John Wesely (not the singer) was heralded as a great ball player but Rock caught him asleep on first and tagged him out quicker than a houn' pup could lick a skillet.

## MEMORIAL SUNDAY WILL BE MAY 24

The S. A. Hunter Post No. 37, of the Grand Army of the Republic has made arrangements for Memorial services at the Methodist church on Sunday, May 24. Rev. Good an old soldier will preach the memorial sermon.

The line of march will commence at the City Hall, Stayton and will be as follows: Grand Army, W. R. C., Sons of Veterans, Spanish American Veterans, Fraternal Orders, Citizens. Everyone is invited to march to the church and attend the memorial services.

Decoration Day services will be held at the cemetery Saturday May 30.

The Home Team Had a Cinch

After the dust and language had cleared away it was found that Scio had 8 and Stayton 11.

The batteries were: Stayton—Cole, Crabtree, Lulay; Scio—Russell, Hobbs, Umpire—Brown, Shepherd.

Everyone is taking an extra hitch in their belts for the three games to be pulled off Carnival week May 28-29-30. Come.

## WALTEMEYER & O'CONNOR MAKE GOOD IN STAYTON

The Waltemeyer and O'Connor Co., who played two nights last week in the Star Theatre of this city will get a larger audience on their return.

Their play "Pierre of the Plains," was one of the strongest pieces of acting that the writer has seen in years, and would take in any city, no matter what its size.

They were both good clean shows something to be enjoyed after a surfeit of the smutty, slap-stick variety of the ordinary barnstormers or vaudevillians.

## EIGHTH GRADERS GIVE SOME GOOD ANSWERS

"Don't scold the cow, but swat the fly; don't get dirt in the pail, but roll up your sleeves, spit on your hands and get busy," said one eighth grade applicant for the high school to the question "Give four dairy rules." This, says the examining board, is worth framing for dairymen. He is being spoken of for carry commissioner.

"Why is a warm bath harmful after eating?" "If you get your face in the water, you will be more apt to drown after eating than any other time."

"Name the glands of the digestive system." "The digestive glands are the oil and sweat glands."

"Who was Horace Mann?" "Horace Mann introduced slavery into the U. S."

"Who was George Peabody?" "George Peabody organized an army and licked the southern rebels."

"How is treason defined in the constitution?" "Any one is guilty of treason when the president presides over the senate."

The above questions and answers were given at the recent 8th grade examination in Linn county says the Albany Herald.

S. H. Heltzel was in Salem on legal business, Tuesday.

## BIRTHDAY PARTY

About fifty people gathered at the home of Geo. Glover of near Sublimity last Sunday. The occasion was the birthday of Mrs. Geo. Glover of Sublimity and Mrs. Amelia Glover of Stayton. Needless to say the party was an entire success.

## MILL CITY SOUTH SIDE BURNED OUT

Five buildings on the south side of the river at Mill City burned to the ground last night at about 7 o'clock.

The buildings were pool hall and barber shop, Odd Fellow building occupied by J. L. Weaver and Co. and a bakery, Livery Stable, used as feed stable, and owned by Ralph Patterson, Frank Koetichy Shoe Store together with a small second hand store owned by the same party.

The loss was about \$9000 covered by about \$4000 insurance.

The origin of the fire is unknown but it is known that it started in the attic above the German Lodges room which is situated above the pool hall.

It is quite probable that the Odd Fellows will rebuild.

## SHOMESCOPE

J. A. Hendershott of this city has the Marion County Agency for the "Shomescope," a mechanical contrivance for the enlargement of single views as the stereoscope does to the double view.

Mr. Hendershott has them on display at his store and he is also anxious to get agents to sell them. Whenever shown they sell like hot-cakes. See him before the territory is all gone.

## BUILDERS ATTENTION

The Petzel Estate Lumber Company will unload a carload of shingles at West Stayton the latter part of this week or the first of next. If you are in need of any, a special price will be made at West Stayton. See us at once. Petzel Estate Lbr. Co.

## HAYNES—GLASS

A very pretty home wedding occurred last Sunday at 10:30 A. M. at the Cottage Hotel in this city, which is the home of the bride's parents. Mr. and Mrs. J. H. Glass.

The contracting parties were Miss Hazel Glass of this city and Mr. Arthur Haynes of Brownsville. Rev. Rossell of the Christian church of this city performed the ceremony. Only the immediate relatives of the young couple were present.

The bride and groom left on the noon stage for West Stayton, where they took the train to Portland and other points for a short wedding tour after which they will be at home to their friends in Brownsville.

## SPEED NOTICES SHOULD BE PUT UP

It is not known to the writer whether Stayton has a speed limit for autos set by ordinance or whether they may fit up our streets at from 25 to 40 miles per hour without molestation; but the writer does know that if there is such an ordinance it should be enforced and if there is none, there should be, pretty pronto, or somebody is going to get hurt.

Also notices should be put up at the city limits on each road leading into Stayton establishing such a limit. Better see to it Mr. Mayor and City Council.

## LOCAL GRANGE MET LAST SATURDAY

The local Grange No. 340 met in regular session at their rooms over the Stayton State Bank last Saturday.

Beside the regular business and a fine dinner, the Grange adopted May 30 as Grange Memorial Day.

The County Grange will meet in Stayton for an all day session June 17.

## PRIMARY ELECTION PASSED OFF QUIETLY

The primary election is over and gone and after the "mists had cleared away" it was found that Marion and Clackamas counties had snowed under the Good Roads Bond Issue, while Coos county voted to build permanent highways. Just watch Coos county grow.

In the different races for state and county offices the line up on the November ballot will be about as follows: For Governor; Withycombe, Rep; Smith Dem. In Marion county the Republican ticket will be: State Senators; C. P. Bishop, A. M. LaFollett. Representatives; D. Allen, Sam Brown, Thomas Brown, D. C. Thoms, G. W. Weeks, County Com; W. H. Goulet, County Recorder; Mrs. Mildred Brooks. Treasurer; Dave Drager, Coroner; A. M. Clough, Sheriff, Wm. Esch, County Clerk; Max Gehlar, Surveyor; B. B. Herrick.

In the precinct it looks like Grier for Justice and Smith for Constable.

The local election passed off very quietly and orderly. The ladies on the election board gave a tone to the occasion that made the men put on their very best drawing-room manners.

In a few weeks more the stage will be set for the final contest which will be waged up until the last day before the November election between the "wet" and "dry" forces in Oregon, for no one can doubt but that will be the main issue before the people this fall.

## MUST REJECT COMPENSATION LAW BEFORE JUNE 15

If you are an employer of men in almost any capacity you will come under the "Workmen's Compensation Law" July 1, unless you file a written rejection of same on or before June 15. This means you Mr. Contractor, Mr. Mill or Factory owner or anyone who uses machinery.

If you do not want this saddled on you, you had better get busy at Once.

S. H. Heltzel will make out the necessary papers for your rejection at a slight cost as to what ONE assessment would be. Better look into this and not stand around after June 15, and euss and say "I didn't know."

The Stayton Mail has given you fair warning. If you don't want to help pay for all the injuries in the many sawmills and factories in the state of Oregon, file your rejection before June 15, 1914.

## ROSE FESTIVAL PLANS NEARING COMPLETION

In addition to the unusually elaborate arrangements which have been made for welcoming the "Queen of Rosaria," and for the vehicle, industrial and Human Rosebud parades, an event of extraordinary interest and one entirely unique in celebrations of this kind, will be staged during the coming Rose Festival. This will be a night conflagration in which an 8-story factory building occupying an entire city block will be the oretically destroyed by fire. This attractive feature will be produced under the direction of a professional stage manager assisted by a large company of actors who will be scattered throughout the building when the torch is applied.

A general fire alarm will be turned in after the building has been treated with chemicals and other materials to give the proper fire effect and the full equipment of the fire department will respond. All the most modern fire fighting apparatus and the most effective life saving appliances will be brought into play during this spectacle. The structure which is to be "destroyed" is centrally located and it is estimated that fully 250,000 people will be able to see it from near-by points.

## Supreme Court Race Close

For the four nominations to the supreme bench, Justices Bean and McBride and Harris have substantial leads over all others. For the other place the contest is close between Judge McNary and Judge Benson.

On the democratic ticket two candidates for the supreme bench were named without opposition. They are William Galloway, Judge of the Circuit Court in Marion county and Judge William R. Ramsey, now on the supreme bench.

## Primary Notes

Dr. Henry Waldo Coe was elected progressive national committeeman without opposition.

Marion county republicans nominated their first woman candidate to county office, when Mrs. Mildred F. Brook led the ticket for county recorder.

The proposed issue of \$850,000 road bonds in Marion county was snowed under by a two to one vote, it having lost in practically every precinct.

Miss Iva Harrington won the republican nomination for clerk of Clackamas county.

John A. Jeffrey of Multnomah county was the only democratic candidate for attorney general and received nomination without opposition.

Mrs. Mary Scott, of Sheridan defeated Ira G. Nelson for the democratic nomination for treasurer of Yamhill county, and to oppose her the republicans placed Alice L. Adams in nomination. Miss Adams defeated three opponents, all men.

## Portland.—Dr. Withycombe, republican nominee for governor, owes his nomination to counties outside of Multnomah. In Multnomah county, Moser polled strongest of all, but other portions of the state flocked to the Withycombe banner, and cut down, then passed his lead.

While, on the republican ticket, Dr. Withycombe carried a majority of the counties, each of the leading candidates was favored with one or more.

Umattila, the former home county of Dr. Smith, the democratic nominee for governor, and Wasco, the home of Judge Bennett, who ran second, both gave handsome majorities for their candidates. The other counties throughout the state divided between the two.

Although George M. Brown lost Multnomah county to Frank S. Grant by approximately 4000, the outside vote more than offset Mr. Grant's gain and Mr. Brown is nominated by a plurality of 4500 to 5000. William P. Lord is third and J. J. Johnson fourth.

Progressives Select Gill for Governor.

With but a few precincts uncounted, the result of the contest over the progressive nomination for governor shows 780 votes for F. M. Gill and 468 for McMahon. The defeat of the latter has caused general surprise, as it was believed that he would capture the gubernatorial nomination without difficulty.

Sanfield Macdonald received the progressive nomination for commissioner of labor, 259 voters having written in his name for this position. The vote cast for other names appearing on the ballot for this nomination was as follows: M. E. Miller, 15; O. P. Hoff, 18; J. A. Madsen, 49; Fred S. Bynon, 54.

## Parks' Execution Seen

Vera Cruz.—Additional confirmation of the execution of Private Samuel Parks of the Twenty-eighth infantry, was received here.

There was brought into the American lines one of Huerta's conscripts who had deserted. He said he was an eye-witness of the execution of Parks.

## Before going to bed take a Dr. Miller Laxative Tablet.
