ATTENTION!

In last week's ad we had some of the Portland Mail Order houses' prices. We are always ready to go into the matter and give you figures.

When anyone questions our ability to sell as cheap or cheaper than the mail order houses there is only one answer to make.

This is an invitation to them to compare our prices and to make us prove what we say.

When we say we can meet or beat retail mail order prices we know what we are talking about. It would be business suicide and the worst kind of folly for us to make such representations and then be unable to make good on them. Every time we failed to make good with a customer on a thing of this kind we would probably lose him.

So don't take our word for it when we say we can save you money—come in and try us. If we can't prove it, then we are the losers. The risk is all ours and you have nothing to lose by giving us a chance.

A FAIR WARNING

One That Should Be Heeded By Stayton Residents

Frequently the first sign of kidney trouble is a slight ache or pain in the loins. Neglect of this warning makes the way easy for more serious troubles—dropsy, gravel, Bright's disease. 'Tis well to pay attention to the first sign. Weak kidneys generally grow weaker and delay is often dangerous. Residents of this locality place reliance in Doan's Kidney Pills. This tested remedy has been used in kidney trouble over 50 years—is recommended all over the civilized world. Read the following:

Mrs. C. E. Cheney, Corvallis, Oregon, says: "One of my family had attacks of backache. He was often laid up for two or three days at a time. He got his feet wet or caught cold, he was sure to suffer from pain in the small of his back. The kidney secretions were scanty and unnatural. His work required much heavy lifting and I think this was responsible for the trouble. Reading about Doan's Kidney Pills, I got a box for him. They improved his condition in every way. They were just the remedy he needed."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Cheney recommends. Foster-Milburn Co., Props., Buffalo, N. Y.
