Copyright, 1914, by Panama-Pacific International Exposition Co. H. S. Crocker Co., official photographers.

This photograph was taken in May.

GREATEST AND MOST BRILLIANT OF WORLD'S EXPOSITIONS WILL BE COMPLETED TO LAST DETAIL ON OPENING DAY.

ANORAMA of about one-fourth of the Panama-Pacific International Exposition, showing nine of the great exhibition palaces which are now within 5 per cent of being complete, lacking only the towers, arches and festival courts. Each of these palaces covers from five to nine acres. The setting in a series of subtropical gardens, extending for two and one-half miles along the San Francisco bay front adjacent to the Golden Gate, is the most beautiful and inspiring ever given an exposition. The vacant space in the center will contain the wonderful ten acre Court of the Universe, dominated by the scintillating Tower of Jewels, 435 feet high. To the right, not shown in the picture, is the concession area, named "El Camino" (The Highway), while to the left, outside the picture, are foreign and state buildings, live stock pavilions, race track, military and aviation fields and Palace of Fine Arts.

OREGON NEWS NOTES OF GENERAL INTEREST

Events Occurring Throughout the State During the Past Week.

Express Company is Indicted.
Salem.—An indictment was returned by the Marion county grand jury against the Great Northern Express company on the charge of violating the law regulating the shipment of liquor properly labeled into dry territory.

This indictment is probably the first one returned in the state for violation of this law. It resulted from the shipment of a gallon of wine by the Rose City Importing company to J. A. Benjamin, assistant attorney general. Because the package was not properly labeled Salem police officers seized it. It is alleged that investigation showed that the importing company had properly labeled the package, showing its true contents, but that the express company had covered the importing company's label with its shipping label, thus causing the package to be shipped in violation of the label requirements of the law.

Medford Guardsmen Plan Club.
Medford.—Because there is no Y. M. C. A. at Medford members of the Seventh company, Oregon national guard, have decided to incorporate club features in their organization, establishing bowling alleys, a library and reading-room for the young men of the city who are members. Later a swimming pool in the natatorium where the company rooms are located will be rented by the company on certain days in the week and a small gymnasium installed.

Polk Display Planned.
Rickreall.—Preparations are under way in various sections of Polk county for exhibits at the Panama-Pacific exposition at San Francisco in 1915. Prune and hog samples, grains, sheep, goats, hogs, cows and poultry will be exhibited. The fine flocks of sheep and goats of William Riddell & Sons, of Monmouth, and F. A. Kozler, of Rickreall, are to be represented.

Lane Woman "Freighter"
Eugene.—Mrs. Charles Cramer has the distinction of being the only woman "freighter" on the McKenzie river. She makes regular weekly trips over the 60 miles between Eugene and McKenzie bridge, hauling supplies for the summer resort, her load averaging 1600 pounds.

PORTLAND MAN CLAIMS LINN COUNTY BRIDE

Frederick E. Smith of Portland and Miss Kitty Perdue of Mill City, were united in marriage Tuesday morning at 11 o'clock at the parsonage of the Methodist church by Rev. Leech. Mr. Smith is a cement man of Portland. The bride is well known in Albany and Linn county. She is a niece of T. J. Butler, of this city. After a brief honeymoon, the couple will be at home at Aberdeen, Washington. —Albany Herald.

DEATH DEALING BOMB WRECKS TENEMENT

New York.—In the ruins of the tenement wrecked by the explosion of a bomb, which it is believed was intended for use against John D. Rockefeller or his son, the authorities found evidence that Arthur Caron, who was killed with three others, had used his apartment as a center for the distribution of inflammatory literature, and that it was filled with death-dealing explosives.

A small printing press, revolutionary pamphlets and circulars, an electric dynamo, two electric batteries, cartridges and bits of steel were among the articles uncovered, which tend, in the opinion of the police, to show an anarchist plot. That the demonstration, halted by the bungling of some one who was preparing an infernal machine for its mission, was planned against the Rockefeller family in Tarrytown, is the theory on which the authorities are working.

Two of those killed in the wrecked apartment were prominent agitators who were to be placed on trial at Tarrytown on the charges of disorderly conduct in connection with the mourning inaugurated against John D. Rockefeller, Jr., as a protest against his attitude in the Colorado mine strike.

Young Idaho Girl Murdered.
Pocatello, Idaho.—Finding their 8-year-old daughter missing from her bed on their return from a dance after midnight Sunday, James T. Henderson and his wife, ranchers at Robin, an isolated hamlet 30 miles south of here, discovered the child's badly mutilated body in a spring 300 yards from her home.

Alfred Henderson, who is not a relative, was arrested, charged with murder and was brought here for safekeeping because of the high feeling against him at Robin.

\$15,000 is Loss in Fire at Stevenson.
Stevenson, Wash.—The biggest fire in the history of Stevenson occurred at 3 o'clock Sunday morning, when a block of buildings on Cascades avenue was burned to the ground. The buildings were occupied by a hotel, barber shop, two pool rooms, two saloons and one restaurant. The losses aggregate \$15,000.

Mayor's Assailant Dies.
Butte, Mont.—Eric Lantala, the Finnish miner who attacked Mayor Duncan with a dirk in the latter's office and was shot by the mayor, died of the wound. The bullet penetrated the liver. Lantala refused to make any statement to the county attorney.

BUMPER CROPS THIS YEAR FOR OREGON

According to the opinion of an expert, the grain crop of Wasco county will be much greater than that of a year ago. The acreage is larger than last year and, in addition, its present outlook is for a larger yield per acre. He estimates the wheat crop of the county at 825,000 bushels, barley, 275,000 bushels and oats, 600,000 bushels. The wheat crop last year was approximately 600,000 bushels.

AUTO TURNS TURTLE ON MILLER HILL

One of P. Deidrich's autos containing Cap Cramer, Chris Cramer and Bert Watters was turned completely bottom side up on the Miller hill between Stayton and Sublimity on July 4.

Cap was at the wheel at the time and he is a careful driver, but his brother Chris wanted to steer the machine a little and undertook to do so with the above consequence.

Cap was quite well bruised about the body but is recovering nicely. The other boys were not injured although the car had to be lifted off them. The Miller hill is now called "Hoodoo Hill" as this is the third accident there this summer.

CHAUTAUQUA OPENS AT ALBANY

The Albany Chautauqua opened yesterday and will continue until July 19. They have a fine program for every day and all who can spend the time or money should attend at least part of the time.

Several Stayton people have already declared their intention of taking in part of the meetings.

CELEBRATION AT SUBLIMITY A SUCCESS

Probably the largest crowd ever assembled in Sublimity celebrated the Glorious Fourth at that enterprising village to the north of Stayton.

The floats that had been made by the different merchants and organizations were well thought out as to detail and arrangement.

The parade while not long was good, and received the applause of the crowd.

W. H. Downing delivered the oration, and Henry is too well known to comment on. Everyone said that it was all right.

In the afternoon, after a bountiful dinner served on the grounds to those who did not bring baskets, the sports were pulled off as advertised.

Much merriment was caused by the different stunts.

A big celebration dance was held in the evening, and shortly after midnight the last merry maker had gone home and another successful celebration in Sublimity was over.

J. R. Gardner and wife, Chas. Staab and family, E. C. Lau and wife, C. A. Beauchamp and wife, Miss Alta Hobson, Harvey Beauchamp, W. N. Pintler, Guy Kearns and Dennis Caldwell spent the Fourth in Albany.

BILL WILL PROFIT O. A. C.

Oregon Will Receive \$10,000 For Educational Extension Work.

Corvallis.—Under the provisions of the Smith-Lever bill recently passed by congress, Oregon will receive \$10,000 for educational extension work in agricultural and domestic economy to be carried on during the next year. The money is appropriated for use through the land grant college in each state, and therefore will be administered in this state by the Oregon agricultural college. The money became available July 1, or as soon thereafter as the work has been outlined and approved by the United States department of agriculture. The plan of operation has already been prepared by the college officials and forwarded to Washington for approval.

If the plans outlined by the college are finally approved \$5500 of the fund will be used to carry instruction by means of field demonstrations and advice and assistance to individual farmers. The college experts will be sent into certain communities where they will make a survey, call on the farmers, help them to solve their problems as they meet them on the various farms; carry on demonstrations in orchards and fields and hold frequent meetings for the more extensive discussion of the common community problems with the people of the respective districts.

Siuslaw Bar Being Surveyed.

Florence.—Five men are here to make a new survey of the Siuslaw bar to ascertain the effect of work which has been done on the jetties here. Soundings of the bar taken by boats passing over it show an increase in the depth of the channel of from four to six feet.

Desperate Crook Taken by Officer.

Eugene.—John Hodgen, alias John A. Harmon, said to be one of the most dangerous criminals on the Pacific coast, was captured here by the deputy sheriff of Woodland county, Cal., and railroad detectives. They have been following the man for several weeks.

Many Check Signatures.

Salem.—Secretary of State Olcott has a special corps of men checking over the signatures to the petitions for initiative measures. It is not necessary that negative arguments be filed until July 21.

TURNER CONVENTION OPENS THIS WEEK

The regular mid-summer convention of the Christian church at Turner Tabernacle opened yesterday.

A large number of Stayton people are in attendance.

On account of the Convention, there will be no meetings, except Sunday school, at the Christian church on Sunday.

EXCURSION GOES TO NEWPORT SUNDAY

Several Staytonites are planning to take in the Sunday Excursion to Newport next Sunday, July 12. Are you going to be one of them?

OREGON ROBBERS MAKE CONFESSION

Two of Three Men Who Held Up O.-W. R. & N. Train Captured Near La Grande.

Pendleton, Or.—Albert Meadors and Clarence Stoner, two of the three train robbers who held up O.-W. R. & N. train No. 5 near Meacham the morning of July 2, were arrested Saturday night about 9 o'clock by Deputy Sheriff Batchelor, of La Grande.

The leader of the gang, who was shot and killed by Deputy Sheriff George McDuffy at the time of the holdup is Charles Manning, a professional gambler and not Hugh Whitney, the notorious outlaw. All three of the robbers were from Cokeville, Wyo. Manning has a wife and four children in Cokeville. He was a close personal friend of both Hugh and Charles Whitney, while Stoner is a cousin of the Whitney boys.

When arrested the two train robbers were walking along the railroad track in the direction of La Grande and less than 20 miles from the scene of the holdup. Neither man was armed and they offered no resistance when placed under arrest. They had \$385 in cash and the \$700 diamond ring taken from H. B. Royce, the Walla Walla brewer, who was a passenger on the train, and a smaller diamond, but the diamonds were thrown away when they were arrested to prevent their being used to connect them with the holdup.

GRAIN YIELD WILL BE LARGE

Wheat Crop of Pacific Northwest Estimated at 65,000,000 Bushels.

Portland, Or.—The season is now far enough advanced to make it almost certain that the cereal crops of the Pacific northwest will be safely gathered. The progress also is sufficient to enable grain men to estimate with a degree of closeness the yields of the leading grains.

That the wheat crop of the three states will break all previous records is conceded by nearly every grain authority in the northwest. The general estimate now is 65,000,000 bushels for Oregon, Washington and Idaho.

SUBLIMITY BLACKSMITH MARRIED AT JEFFERSON

Jack Petrijanos and Miss Emelie Stastny were united in marriage on July 4, at the St. Thomas Church Jefferson, Oregon.
