WASHINGTON IS ANTI-PROHIBITION

SEATTLE, Wash., Nov. 4.—Scattered returns from all parts of the State of Washington indicate the success of the Republican Senatorial and Representative tickets, that prohibition has been beaten decisively, Seattle furnishing the greater part of the adverse majority and that the proposed eight-hour law also has been defeated.

The vote was exceedingly heavy and the count slow owing to the initiative, referendum and constitutional measures.

Returns from 49 city precincts show for prohibition, 3395; against, 5337.

Senatorial, 54 city and five county precincts incomplete; Jones, 1163; Black, 639; Hanson, 933; First Congressional District, 54 city and five county precincts incomplete; Humphrey, 956; Moore, 629; Griffith, 553.

Jones Seems Sure of Seat.

Senator Wesley L. Jones, Republican, probably is re-elected, defeating Ole Hanson, Progressive, and William W. Black, Democrat.

In the first, or Seattle district, William E. Humphrey, Republican, is ahead of William H. Moore, Democrat, and Austin E. Griffiths, Progressive, probably is elected.

In the second, or Bellingham district, Lindley H. Hadley, Republican, is ahead of Earl W. Husted, Democrat, and John E. Campbell, Progressive, but the returns are meager.

In the third, or Tacoma district, Albert Johnson, Republican, appears to have been re-elected, defeating Charles Drury, Democrat, and Stefan Warburton, Progressive.

Democrat at Walla Walla Ahead.

In the fourth, or Walla Walla district, only a few precincts have been reported. In these R. M. Drumheller, Democrat, is leading William L. Lafollette, Republican, the present member, and M. A. Peacock, Progressive.

In the fifth, or Spokane district, C. D. Hill, Democrat, is leading Thomas Corkery, Progressive, and Harry Rosenbaupt, Republican.

Supreme Justices Stephen J. Chadwick and Herman D. Crow appear to have been re-elected, the third judgeship probably going to O. S. Holcomb.

One hundred and ninety-eight precincts out of 2053 in the state give for prohibition, 12,379; against prohibition, 14,309.

One hundred and sixty-two precincts give for Senator—Jones (Rep.), 3637; Hanson (Prog.), 2383; Black (Dem.), 2355.

Republicans Sweep All Excepting Governorship

BOISE, Idaho, Nov. 3.—(Special).—With the exception of Governor, the entire Republican ticket for state office, who had a lead on the early returns, Idaho tonight. Governor John M. Haines seems to have been defeated by Moses Alexander, Democrat, by a plurality of from 5000 to 10,000.

The remainder of the Republican ticket including United States Senator James H. Brady and Addison T. Smith and Robert McCracken are elected by safe plurality. The Legislature overwhelmingly will be Republican.

A total of 13 out of 33 counties in the state have been reported. The southeast split on Governor, which accounts for Governor Haines' apparent defeat. It stood solid for the Republican Congressional delegation.

The southern and southwestern part of the state cut down Republican majorities, the vote leaning more to the Progressives.

The north appears to have remained with the Republican party. The two Progressive candidates for state office, who had a lead on the early returns, C. O. Broxon, candidate for State Treasurer, and Clarence VanDeusen, candidate for State Auditor, have had their majorities cut down with late returns and unquestionably are defeated. Paul Clagstone, Progressive candidate for Senator, together with James H. Hawley, Democratic candidate for Senator, also were defeated. Hugh E. McElroy, Progressive candidate for Governor, made a poor showing.

Other Republican candidates elected are H. H. Taylor, Lieutenant Governor; George R. Barker, Secretary of State; Fred L. Huston, State Auditor; J. H. Peterson, Attorney General; John Eagleson, State Treasurer; Bernice McCoy, Superintendent of Public Instruction, and Robert N. Bell, Mine Inspector.

Johnson Wins California; Prohibition Forces Lose

SAN FRANCISCO, Nov. 3.—Scattered returns received up to midnight from all parts of the state indicated the following net results of today's general election:

Governor Johnson (Prog.) has won a re-election by a plurality that approaches landslide proportions over Captain John D. Fredericks (Rep.) with the Democratic candidate, John B. Curtin, a distant third.

The vote for United States Senator was so close at the midnight hour as between James D. Phelan (Dem.) and Joseph R. Knowland (Rep.) as to make a forecast of the final result a mere hazard. On the face of early returns, Francis J. Heney, the Progressive candidate, was a lagging third.

John M. Eshelman (Prog.) has been elected Lieutenant-Governor over J. V. Snyder (Dem.) by a vote that threatened on the scattering count to exceed that of one.

Prohibition and Eight Hours Beaten.

Two proposed laws in which the interest throughout the state was intense—that providing for state-wide prohibition, and the universal eight-hour work day measure—have gone down to overwhelming defeat. Seemingly prohibition has lost by almost two to one, while the margin of victory for the opponents of the eight-hour law is much greater.

The outstanding feature of tonight's returns has been the uniformity with which Johnson outstripped his rivals in every section of the state. Besides carrying San Francisco, his home county, Alameda and Sacramento by heavy pluralities, the Governor appears to have a commanding lead in Los Angeles County, the home of Captain Fredericks.

Gallinger Leads for Senate.

CONCORD, N. H., Nov. 3.—Fifty districts out of 298 for Senator give: Gallinger, Republican, 3577; Stevens, Democrat, 2906; Greer, Progressive, 146. The same districts for Governor give: Spaulding, Republican, 3910; Noone, Democrat, 2822; Allison, Progressive, 174.

Montana Vote Divided.

HELENA, Mont., Nov. 3.—Returns from 167 precincts in the State of Montana give the following: Representatives in Congress—Evans, Democrat, 6974; Stout, Democrat, 3128; Maddox, Republican, 4617; McCormick, Republican, 5159; Brinson, Progressive, 703; Rankin, Progressive, 1115.

NORTHWEST MARKET REPORTS.

Portland—There is a slowing down of wheat buying in the country this week. Prices were not notably changed, yet the large buyers did not seem disposed to go as strong as they did a few days ago. The Chicago market receded, influenced by the accumulation of domestic stocks, and this had some effect on sentiment notwithstanding that the English markets were steady.

Most of the dealers are carrying large stocks, and until an opportunity is presented for turning them, buying operations will likely be held down. Farmers are very firm in all sections and the majority of them appear indifferent to current offers.

At the Merchants Exchange sessions red wheat was steady, but club was 1 1/2 cents lower on bid, and milling and shipping bluestem were each down a cent. Five thousand bushels of forty-fold were sold at \$1.09, followed by a sale of 10,000 bushels at \$1.10. Five thousand bushels of red Russian changed hands at \$1.01.

The oats market did not display its recent strength. Buyers offered \$28.25 against \$29 the preceding week, and there were sellers at \$28.50, or a dollar less than was asked previously. Barley bids were 50 cents higher, \$22.50 being offered for feed and \$23 for export grade.

Wheat—Bid: Bluestem, \$1.11 per bushel; forty-fold, \$1.10; club, \$1.07; red Russian, \$1.01; red Fife, \$1.02.

Oats—Bid: No. 1 white feed, \$28.25 per ton.

Barley—Bid: No. 1 feed, \$22.50 per ton; brewing, \$23; bran, \$21.50; shorts, \$22.

Sheep—Wethers, \$4@5.50; ewes, \$3.50@4.35; lambs, \$5@6.25.

Seattle—Advices received here from Wenatchee are to the effect that apples are being shipped out at the rate of 100 carloads per day to imaginary buyers in the East and South in the hope that by "rolling" the fruit they will be able to find actual buyers before the cars stop traveling. In this, however, there is likely to be disappointment. It is probable that the fruit will have to be stored in the East until later, when there may be a chance to sell. No higher prices are hoped for this season.

Following the success of the first apple show in Western Washington, Eastern Washington growers, who have been on the ground, are requesting that Seattle business men make plans to hold a show every year hereafter. The distributors have pointed out that owing to the importance of Seattle as a distributing center, both as to the Coast and overseas trade, efforts should be made to exploit the apple industry annually as a means to widen distributing areas. Local jobbers declared that between 400 and 500 carloads of Washington apples would be sent through this port before January 1 for storage in California.

Eggs—Select ranch, 44@46c dozen.

Poultry—Live hens, 10@15c pound; old roosters, 10c; 1914 broilers, 12@14c; ducklings, 10@12c; geese, 10c; guinea fowl, \$9 per dozen.

Apples—New, cooking, 50@60c per box; Gravensteins, 85c@1; Jonathans, 75c@1.25; Winter Bananas, \$1.25@1.50; Kings, 75c@1.15; Delicious, \$1.25@1.50; Spitzenbergs, \$1@1.25.

Dressed Mutton—10@10 1/2c pound.

Vegetables—Artichokes, 75c per dozen; beans, green, 9@10c pound; cabbage, local, 1c per pound; red, 1 1/2c; corn, green, \$1 per sack; onions, green, 25c@30c per dozen; Walla Walla, 85c@90c per cwt; potatoes, White River, \$18@20 per ton; Yakima, \$23.

Play With a Happy Ending.

"Did the play have a happy ending?" "You bet it did. Some one in the gallery hit the villain square in the face with a tomato."—Houston Post.

The Devil of Race Hatred.

Step right up and hit the man you hate most.

"I hate a Jew," says one. So he takes a throw at "the like."

"I hate an Irishman," says another, and he drives at "the Mick."

Another hates an Englishman, another a German or a Japanese; so the devil in human nature spends itself in this way until wisdom touches the human mind and says, "Now calm yourself and wipe the froth from your mouth!"

Then one begins to think and finally learns this truth: that race hatred is one of the lowest and meanest of human passions. A race may have more cunning than another, but the race that makes the accusation may have more bluff. One may have more culture, but the other may excel in simple honesty. And when it comes to summing up all the virtues, faults and capabilities of each race one about equals the other.

Until we learn to judge every individual on his own peculiar merits we haven't taken a first good step toward social intelligence.—Art Young in Metropolitan.

Too Much Cutting.

Seizing an appropriate occasion, namely, the 68th anniversary of the discovery of ether as an anesthetic, Dr. John M. T. Finney of Baltimore uttered a warning against the abuse of the knife.

"There is far too great a tendency to operate nowadays, and the average doctor resorts to this shorter route when perhaps a more careful diagnosis would show some other course to be preferable," said he. "Many operators—and I use the word advisedly—rush into operations with no clear idea whatever of the true nature of the disease which they are endeavoring to combat, and for this reason many operations are needlessly performed."

The plain words quoted should be heeded, for they bear the stamp of authority. The man who spoke them is a distinguished surgeon connected with Johns Hopkins medical school.—Boston Globe.

THE CHARM OF MOTHERHOOD

Enhanced By Perfect Physical Health.

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Of course nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism unfitted for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

There is nothing more charming than a happy and healthy mother of children, and indeed child-birth under the right conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
