MRS. FANNIE HOWELL DIED MONDAY NIGHT

Fannie Titus was born near Seio, Oregon in 1872. Her parents Mr. and Mrs. C. A. Titus crossed the plains in 1864 and took up their residence in Linn county, where the father died in 1902 and the mother moved to Stayton in 1903.

Miss Titus was married to E. E. Howell in 1896 and moved to Oregon City. The last few years of her life were spent in Jefferson. She died at her mother's home in Stayton, December 7. She leaves to mourn her sad loss, a husband E. E. Howell and two sons, Erol and Leston; a mother, Mrs. C. A. Titus, a brother E. C. Titus, a sister Mrs. Effie Miller of Stayton, a brother R. A. Titus of Falls City and a sister Mrs. T. J. Montgomery of Free Water, Oregon.

She was conscious to the last and gave them all good advice and bid them all good-bye and requested them to tell all her friends good-bye for her. She was a loving wife and mother and a devoted Christian character, which was shown by her last words which were: "My dear Heavenly Father, forgive me of my sins, and take me to thy home. This my last prayer, this I ask in Jesus Name, Amen."

Short services were held at the house Dec 9th by Rev. H. E. Russell, the body was taken to her home in Jefferson. The funeral was held in Jefferson at 2 p.m. December 10th.

MRS. WILBUR AND C. D. STAYTON ARE ELECTED

Once more the City Election is over and peace and quiet will reign in Stayton for another twelve months.

Although but one ticket was out in full, someone had a large number of dodgers printed on Sunday and distributed. The dodgers simply said Vote for W. Richardson and Geo. Spaniol for Councilmen and Henry Smith for Marshal. All those interested deny any knowledge of the transaction, so it must have simply been "a friend."

There is no doubt but that if the names of Mr. Richardson and Mr. Spaniol had been printed on the ballot, they would have had a much better chance of being elected. The vote follows: For councilmen; Chas. Stayton 149, Emma E. Wilbur 162, W. Richardson 143, Geo. Spaniol 131; for recorder, J. B. Grier 220; for marshal, John Downing 200, Henry Smith 94; for treasurer, G. C. Eksman 177, Jos Fisher 98.

CALL ISSUED FOR A MEETING

It is the opinion of a number of the business men of Stayton that an organization of an athletic character was needed in this community, as at present the young people of this city have no place to spend their leisure moments except in places that are not convenient for such purposes, and that a place of meeting and amusement should be obtained.

All mothers and fathers should be behind this movement, and should turn out tomorrow night, Friday, Dec. 11, at the Star Theatre, to discuss ways and means of meeting this want.

Remember the day and date, and lend your presence to this movement by being there. None should hang back, lodges, churches, business men, teachers and pupils. Come and give us your ideas along these lines. Com.

NOTICE

The Stayton Development League will meet in the City Hall Monday night, Dec. 14. All members are urged to be present.

"THE FARMER" AS ONE MAN VIEWS HIM

Why should the farmer be laughed at? The man who has made this world what it is; the man to whom everyone is indebted to for what he has, either directly or indirectly, (except he be a brother farmer.)

Why should he be jeered and laughed at and called a "Hav-seed" because of the overalls? Not only has he earned his bread by the sweat of his brow, but your bread and mine too, to him we are indebted largely for our public highways, schools, etc.,

Do we realize that from the farm comes food, which we eat, the clothes we wear? The farmer has made his living and yours, he has provided for his family beyond equal.

Do we wonder the cry is, "Back to the Farm" when the call is heard from every land for that type of manhood and womanhood, which comes from no other but the farm.

I do not mean to say that all good and great people come from the farm but I do say the boys and girls from the farms have more natural opportunities, a broader sense of living; the foundation material for character, in fact they live in reality, closer to nature, live man to man, friend to friend, hand in hand, as God intended man to live. The one people to which the world is indebted for her sociability.

Boys and girls why should you be ashamed of the farm or farmer? The people to which the nation look in time of war, as well as in times of peace.

Why should you be ashamed of that old grey-headed father, whose step has been made tottery by honest toil, that you and I might live to enjoy a better and nobler life. This father sees in you possibilities, better possibilities by giving to you the best that he has. Crossing the briny deep to an unknown land, then plowing his way through the wilderness, from shore to shore, risking his life and costing many, that we might live in the land of the free.

A nation unsurpassed by the world; a nation that need not be ashamed of her ancestry. Then why not back to the soil?

I say; the farmer of yesterday is gone, not to be forgotten, I mean the farmer uneducated.

Today is the day of the farmer educated. If we would live as we should we must be educated. Not only educate ourselves, but we must be progressive and prepare for better education in the future. The farm is no more the home of the uneducated, where any one may live successfully. I say live not exist.

Some people have said "Oh anybody can be a farmer." Yes! anybody can live on a farm but to be a successful farmer we must be progressive.

The farm has grown to be a paying business.—The one non-dependent business, a business that produces. The farmer a man of business, why not educated? A Linn County Farmer.

TURNER COUNCIL STAYS

The election of city officers, mayor and two councilmen on the issue of whether or not the present council were to be upheld in their action of disposing of the \$10,000 bonds and awarding the contract to construct the municipal gravity water system to the V. R. Dennis Construction company of Portland, was held at Turner Monday. The balloting resulted in the reelection of the present mayor, G. F. Booth, and the two outgoing councilmen, George Moore and G. A. Masey.

DID SOME ONE BLUNDER OR NOT?

In an interview with H. E. Wirth Tuesday evening, he states that on that day he had a talk with Judge Bushey and that the Judge stated that the word that he sent to the meeting of resident taxpayers which met in Stayton recently, had nothing to do with the special tax, but related to the general tax fund only, viz: that no general fund tax could be used on the streets of Stayton.

Mr. Wirth further stated that the Judge said that he would do all he could to help us to get our mainstreets, which were once county roads, put in a passable condition.

No doubt if this had been understood at the meeting, instead of a two-mill tax, there would have been a three and perhaps a four-mill tax voted; as Stayton people were reluctant to vote a tax that would be entirely spent outside the city. It looks as if some one had blundered, if Mr. Wirth's account is substantiated.
