Dr. Lowe & Turner, the well known eye specialists, of Portland, will be at the Hotel Stayton, Monday Dec. 21st. One day only. Don't fail to consult them about your eyes and glasses. Lenses do not wear out, but eyes do. Every part of the body changes with advancing years, and the eyes in common with the rest of our physical being show the effect of age. We must therefore meet the changed condition of the eyes. The glasses that you bought two or three years ago are not giving your eyes the proper assistance. As your eyes are wearing out year by year your lenses should be changed to correspond with your changing vision. Come and let us talk it over with you. Don't forget the date. December 21.

WHEN HER BACKS ACHES

A Woman Finds All Her Energy and Ambition Slipping Away.

Stayton women know how the aches and pains that often come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, are frequent indications of weak kidneys and should be checked in time. Doan's Kidney Pills are for the kidneys only. They attack kidney disease by striking at the cause.

Can Stayton sufferers desire stronger proof than this Dallas woman's word? Mrs. Maria Cerny, 203 Ash St., Dallas, Oregon, says: "I used Doan's Kidney Pills and got great relief from backache and kidney trouble that had been bothering me. I can recommend Doan's Kidney Pills as a fine kidney remedy. They act on the system quickly and bring very good results."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Cerny had. Foster-Milburn Co., Props., Buffalo, N. Y.
