Serial No 981

EQUITABLE SAVINGS SOUND INVESTMENT

Fred M. Rowley, Special Agent of the Equitable Savings and Loan Ass'n makes known some interesting facts pertaining to the investing of money.

But few people realize the difference between the Rental power and the Earning power of their money. Some are contented with a small rent for the use of their money, while others not content with a reasonable rent for the same, invest it themselves in some highly speculative investment and they thereby not knowingly overwork their capital.

The Earning power of money is best known by the real financiers, they study this all important question and they are thereby best qualified to know, as this knowledge comes only by years of careful study and experience.

There is a common fallacy that while for legal advice we go to lawyers and for medical advice we go to physicians, and for the construction of great works to engineers—financing is everybody's business. As a matter of fact it is the most profound and complicated of them all.

Just now a revolution in the financial world is going on to the profit of the careful investor and now is the time to act, start at once, take one of our savings certificates, compel yourself to save just so much. Just so often you will profit by doing this and will soon begin to realize as hundreds have already realized that the difference between the rental power and the earning power of your money means a competency for life.

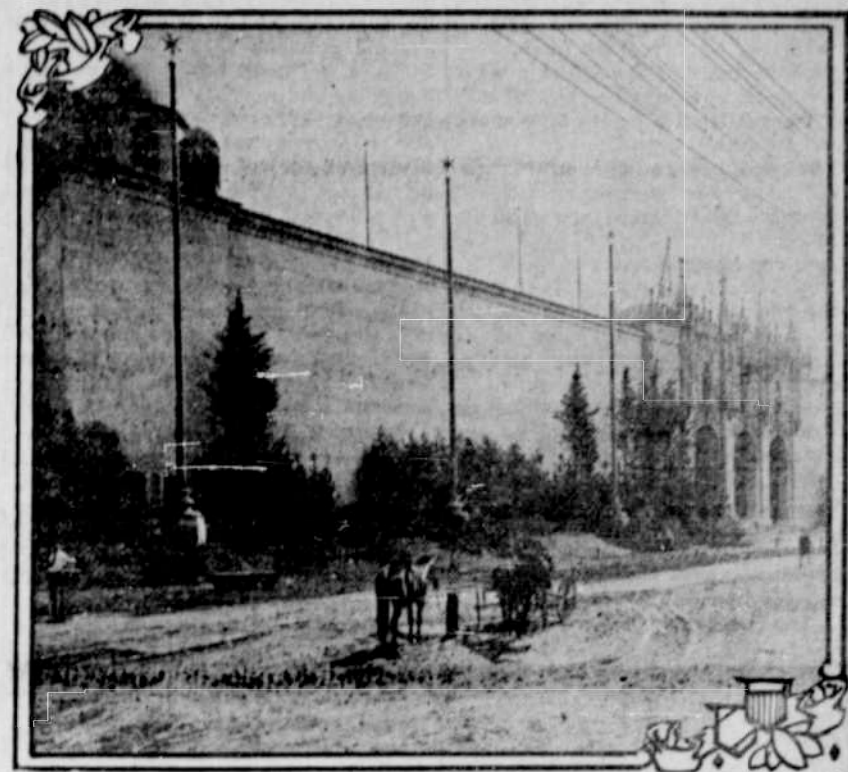

We have over \$3,000,000 in assets. Our securities which are held by the state consists of nothing but Real Estate First Mortgages on homes and back of this is a quarter of a century of successful business operations. What we have done in the past 25 years is the best promise of what we will do in the years to come.

WILL TAKE EXAM

Paul Blakely, Harvey Beauchamp and Lester Smith will go to Portland Sunday, January 10, and take their exam on the week following in Pharmacy. This will be the first exam for young Blakely and Smith, while Beauchamp expects it to be his last one, and to return a full fledged druggist.

John Sandner Jr. was operated upon for appendicitis in the Salem hospital on New Year's Day. Dr. Beauchamp assisted in the operation.

World's Greatest Agricultural Display to Be Made In Vast Palace of Agriculture at Panama-Pacific Exposition, San Francisco, 1915

THE accompanying photograph was taken of the Palace of Agriculture before the Esplanade was given the asphalt pavement which it now has. This facade of the Palace of Agriculture looks out upon the Marina and the waters of San Francisco bay.

The outside height of this building is ninety-six feet. It is 579 by 630 feet and was erected at a cost of \$425,610. The opening at the left opens on the Court of the Universe, which is to be one of the architectural wonders of the entire Exposition.

The portals shown at the right are beautifully wrought and rich in color. The central niche is occupied by a sculptured figure of the Conquistadora. On either side of this in slightly lower niches are figures of the Pirate, which stand eleven feet high.

The wall surface is of imitation Travertine and present a pinkish ochre tint. At the eaves other tones are used, and the dome shown here is of orange, while the base of the dome bears a blending of pinks, copper green and blue.

This palace is directly opposite the yacht harbor, which is to be the scene of thrilling events in 1915.

MISSUS TRAIN IN COTTAGE GROVE

J. W. Mayo, wife and baby returned from their holiday trip to the Rogue River Valley on Tuesday morning of this week—That is Mrs. Mayo returned Tuesday morning, and Mr. Mayo would have been with her but as he stopped a few hours in Cottage Grove, expecting to join his wife in Albany by a later train but failed to do so. He says that he went asleep in the depot and missed his train, and of course we believe him.

Mr. and Mrs. E. E. Matten of near Salem spent New Year's Day and the week-end at the home of their daughter Mrs. M. J. Crabtree. J. R. Gardner and wife also spent New Year's Day at Crabtree's.

A PLEASANT NEW YEARS PARTY

There was a pleasant New Year's party at the home of Nick Zimmerman's on New Year's night where about 75 or 80 took part in dancing and card games. A fine lunch was served at midnight. Everybody enjoyed themselves and at a late hour departed for home hoping to meet again to enjoy more such good time. Those present from Stayton were: The Laux brothers and sisters, John Willing, John Lulay and daughter Mary and son Henry, John VanHandel and family and those from Jordan were August and Silvester Bender.

Only the immediate family, a few friends and the Sunday School class, of which she was a member, were present.

After "Love's Old Sweet Song" had been rendered by Wilma Ware in her usual pleasing manner, the bride and groom accompanied by Bessie Wade as bride's maid and Roy Nendel, brother of the bride, as best man, marched to their places beneath a beautiful arch of Oregon grape, while the wedding march was played by Idris Rossell.

After congratulations the party repaired to the Christian Church where was spread a wedding feast prepared by the Loyal Sons and Loyal Daughters. The bountiful table was only a slight expression of the high esteem in which these young people are held.

A the bride and groom left the church to prepare for their final departure, the bride's bouquet was thrown into a crowd of about twenty five young people. After the scrambling was over it was found that Lettie Weddle was in possession of the greater part of the bouquet.

The newlyweds departed for their new home near Eugene amid a shower of rice and old shoes, and with the best wishes of their many friends. Many beautiful and useful presents were received by the young couple before the ceremony.

Mrs. Ella Williams of Seattle visited at the home of her parents, Mr. and Mrs. S. H. Burson this week.

NEW COUNCIL TAKES UP WORK OF OLD

On Monday night of this week the old city council met for the last time and cleared the table of all unfinished business before the retiring members gave place to the new. A review of the past year's work by the Mayor showed that considerable had been done and that there was much more to do in the future.

After the new members of the council, Mrs. Emma Wilbur and C. D. Stayton had been escorted to their places by the retiring members, E. Roy and Geo. Spaniol, Mayor Beauchamp thanked the latter for their hearty co-operation and help in the past two years that they had been with him. Shortly after the council adjourned.

The first regular meeting of the city council for 1915 was the next night, Tuesday, January 5.

Little real business was done but many things were talked over and committees appointed to investigate several different subjects that will come up in detail at the next meeting, which will be the first Tuesday in February.

Quite a crowd was present at both council meetings, among which was a number of ladies. The Treasurer's quarterly report will be found in another column of the Mail.

ESTHER NENDEL AND HERBERT BAKER WED

On New Year's Day a quiet but very pretty wedding was solemnized at the home of Mr. and Mrs. Wm. Nendel, when their daughter Esther and Herbert A. Baker, an estimable young man residing near Eugene, were united in marriage, H. E. Rossell officiating.

The bride wore a charming gown of taffeta and shadow lace, and carried a bouquet of pink and white carnations, while the bridal veil was decorated with white hyacinths.

Only the immediate family, a few friends and the Sunday School class, of which she was a member, were present.

After "Love's Old Sweet Song" had been rendered by Wilma Ware in her usual pleasing manner, the bride and groom accompanied by Bessie Wade as bride's maid and Roy Nendel, brother of the bride, as best man, marched to their places beneath a beautiful arch of Oregon grape, while the wedding march was played by Idris Rossell.

After congratulations the party repaired to the Christian Church where was spread a wedding feast prepared by the Loyal Sons and Loyal Daughters. The bountiful table was only a slight expression of the high esteem in which these young people are held.

A the bride and groom left the church to prepare for their final departure, the bride's bouquet was thrown into a crowd of about twenty five young people. After the scrambling was over it was found that Lettie Weddle was in possession of the greater part of the bouquet.

The newlyweds departed for their new home near Eugene amid a shower of rice and old shoes, and with the best wishes of their many friends. Many beautiful and useful presents were received by the young couple before the ceremony.

Mrs. Ella Williams of Seattle visited at the home of her parents, Mr. and Mrs. S. H. Burson this week.

WILL RECOVER HEALTH

Mrs. H. J. Mutschler, who was taken to Salem Sunday by her husband, successfully underwent a surgical operation at that place on Monday, and her many friends in Stayton and Sublimity will be glad to learn that she is doing nicely and is in a fair way to complete recovery. She was accompanied by her sister, Miss Minnie Hassler, who is staying in Salem with her during her convalescence.

ROCK POINT NEW YEAR'S DINNER GIVEN

(Special to The Mail)

The Annual New Year's Dinner of the Rock Point neighborhood was held at the country home of Mr. and Mrs. I. B. Carter and was thoroughly enjoyed by all.

Those present were T. J. Hill and wife, B. Wagner and wife, F. C. Smith and wife, C. B. McElhenny and wife, Mr. and Mrs. T. B. Patton and daughter, F. M. Fresh and family, Mrs. Elmer Downing and daughter, E. C. Downing and family, Willis Caldwell and family, Mr. and Mrs. J. T. Hunt and daughter, Albert Griffith and family, Mr. and Mrs. John Carter and grandson of Lebanon, L. W. Potter and wife of Salem, Walter Heater, wife and son, W. H. Carter and family, E. C. Carter and wife, Hazel Geer, Roy Carter and Mr. and Mrs. Carter's daughter Sylvia, who lives in Salem.

BUY EARLY MOVE- MENT IS NOW ON

The Eastern states have started a movement called the "Buy it Now" movement. It is said that if all persons, especially those in the agricultural communities, will buy their necessities, tools, implements etc. now it will start the spring trade up with a rush and everything will be fairly humming by the first of May.

With May wheat at better than \$1.30 the proposition has something more than hot air back of it, for no doubt the wheat acreage will be greatly enlarged this year, and many more implements will be demanded by the growers. Also there will be a greater call for help from the wheat areas, which will improve business to no small extent.

The automobile companies are preparing for the biggest year's business in their history; the lumber trade is looking brighter every day and the prospects are encouraging for a year of unprecedented industry everywhere.

In the meantime the careful buyer will scan the markets and newspapers for bargains in what he wants, and the farmer of the Santiam valley should not overlook the fact that the Deidrich Hardware store of this city has put on a bargain sale of just such things as he needs. Better call in and look them over before the other fellow beats you to it.

Dr. Beauchamp reports a boy born to Mr. and Mrs. Preston Wood of West Stayton, December 28, and a boy to Mr. and Mrs. Floyd Humphreys of Union Hill on December 31.

FIRE RELIEF ASS'N HAS GOOD YEAR

(Special to the Mail)

On January 2, the Farmers Fire Relief Association of Sublimity Oregon, held their 19th annual meeting at Sublimity. The meeting was well attended and all of the members took an active interest in its proceedings.

The Sec-Treas. report showed that there were more policies for insurance issued during the last year than in any year previous.

There were 63 policies issued, insuring 92 buildings and contents for the amount of \$51,460, and December 31, 1914 there were 434 policies in force insuring 702 buildings and contents for \$303,774.

The Treasurer's report showed that January 1, 1914 there was in the Treasurers hands \$473.57. Received during the year \$92.40. Fire loss during the year, only \$3.50. Total salary and incidental expenses, \$201.26, leaving \$365.72, Cash on hand.

During the last 19 years the average cost for fire loss and expense amounts to \$1.50 per \$1000 per year.

This low cost is principally attributed to having their own directors as solicitors, thereby preventing hazardous and over insurance risks.

There were provisions made to have ample reserve funds in the future, so as to pay all claims promptly on demand.

The following officers were elected for the ensuing year: F. A. Bell President, Sublimity; Chas. Hottinger Sec-Treas, Sublimity; Directors—W. H. Downing, Shaw; B. Minton, Seio; P. C. Freres, Klumb; Henry Steinkamp, Aumsville; John Bender, Jordan.

WHO KNOWS OF A CRIPPLED CHILD?

County Superintendent W. M. Smith has received an appeal from the Oregon State Federation of Women's Clubs, asking him to tell their hospital committee about any crippled children in this county who could be aided by a state-wide organization to furnish free medical treatment of the most modern scientific kind in all cases where the family income is not sufficient for expensive consultation with specialists.

The Federation, which includes a hundred women's clubs in all parts of the state, asks anyone who knows of a little victim of an accident, of spinal meningitis, of infantile paralysis, of tuberculosis in the bones or joints, or any other crippling cause, to write the details of the case to Mrs. Millie R. Trumbull, Secretary Child Welfare Commission 2504 Third Street, Portland, Oregon.

The club women maintain that these little cripples, besides being the most pitiful of all cases of helplessness, and besides being entirely without organized assistance in contrast with the great state institutions which care for the deaf, the blind, the feeble-minded and even the delinquent, are also the most curable if treated in time, and the most able when so treated to make good, strong, useful citizens instead of charges on public charity all their lives.

Misses Mamie and Josephine Laux and Mary Lulay attended the dance at Jordan Dec. 31.
