There are protests against maintaining the Bureau of Mines and Mining and the state department of Geology when Oregon stone is rejected on all public buildings.

Eugene city council is holding Economy Conferences to reduce taxes. Baker—Will not erect light plant but has contracted with Eastern Oregon Light and Power Co.

The more laws and commissions the politicians create for the "benefit of the people", the larger grows the army of office holders and the higher taxes climb to support them, and the "benefitted people" pay the bill and continue to wait for the "benefits."

COLLIER'S WEEKLY AND STAYTON MAIL

The management of The Mail has been waiting for a special price on Collier's Weekly, so that they could offer the same combination as last year viz: \$2.50 for Mail and Colliers, but no special offer has come, nor is there any chance at this date; so they have decided to make an offer of the two papers at a price of \$3.00.

Colliers regular price is \$2.50, and the Mail is \$1.50 making a total of \$4.00. If you want this wide-awake national weekly in conjunction with your home paper you can get it at an advance of \$1.50 over the price of the Mail. 2000 votes on the Contest goes with the Mail and 300 votes with Colliers. If you want this offer, send the money at once to the Mail office, as the time is limited. Those who have already paid for a year's subscription to the Mail in advance, can get Colliers for the additional \$1.50.
