MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge.

Kidney disease often advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired worn-out feeling, or if the kidney secretions are offensive, irregular, and attended with pain, procure a good kidney remedy at once.

Thousands recommend Doan's Kidney Pills. Read the statement below.

T. F. Chance, carpenter, 1625 E. Second St., Albany, Oregon, says: "A couple of years ago I strained my back and soon noticed weakness and disorders of the kidneys. I had read about Doan's Kidney Pills and began using them. In a short time my back was strengthened and all the other kidney disorders left me. I know that Doan's Kidney Pills are a fine medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Chance had. Foster-Milburn Co., Props., Buffalo, N. Y.

THE SAILOR HAILS THE GOOD JUDGE

Now you can get the tobacco comfort you are after. Try a pouch of "Right-Cut," the Real Tobacco Chew. It will satisfy you better than any other kind you ever used. Gives you the comfort, the satisfaction and substance you are after. Pure, rich tobacco—seasoned and sweetened just enough.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is The Real Tobacco Chew. That's why it costs less in the end. It is a ready chew, cut fine and short so that you won't have to grind on it with your teeth. Grinding on ordinary candied tobacco makes you spit too much. The taste of pure, rich tobacco does not need to be covered up with molasses and borax. Notice how the salt brings out the rich tobacco taste in "Right-Cut." One small chew takes the place of two big chews of the old kind.
