HIDDEN DANGERS

Nature Gives Timely Warnings That No Stayton Citizen Can Afford To Ignore.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys excrete a clear, amber fluid. Weak kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, suggest weak kidneys and warn you of the danger of dropsy, gravel and Bright's disease. In that case Doan's Kidney Pills have been endorsed by thousands. Here is a statement of a nearby resident: Rhoda H. Peterson, 630 Fourth St., Corvallis, Oregon, says: "I was in a bad way from kidney complaint. My ankles were swollen and pained me. My back ached. I knew that my kidneys were to blame for these ailments. When I was advised to try Doan's Kidney Pills, I did. I found them to be just what I said. They did me a lot of good."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Peterson had. Foster-Milburn Co., Props., Buffalo, N. Y.
