GETS THROWN FROM RUNAWAY HORSE

Mrs. R. Miller, who lives on the Marion Neal place near West Stayton, was thrown from a horse which she was riding, near the outskirts of Turner Sunday evening. The lady struck on her head, and according to Dr. Beauchamp who was hurriedly called, suffered a severe concussion of the brain.

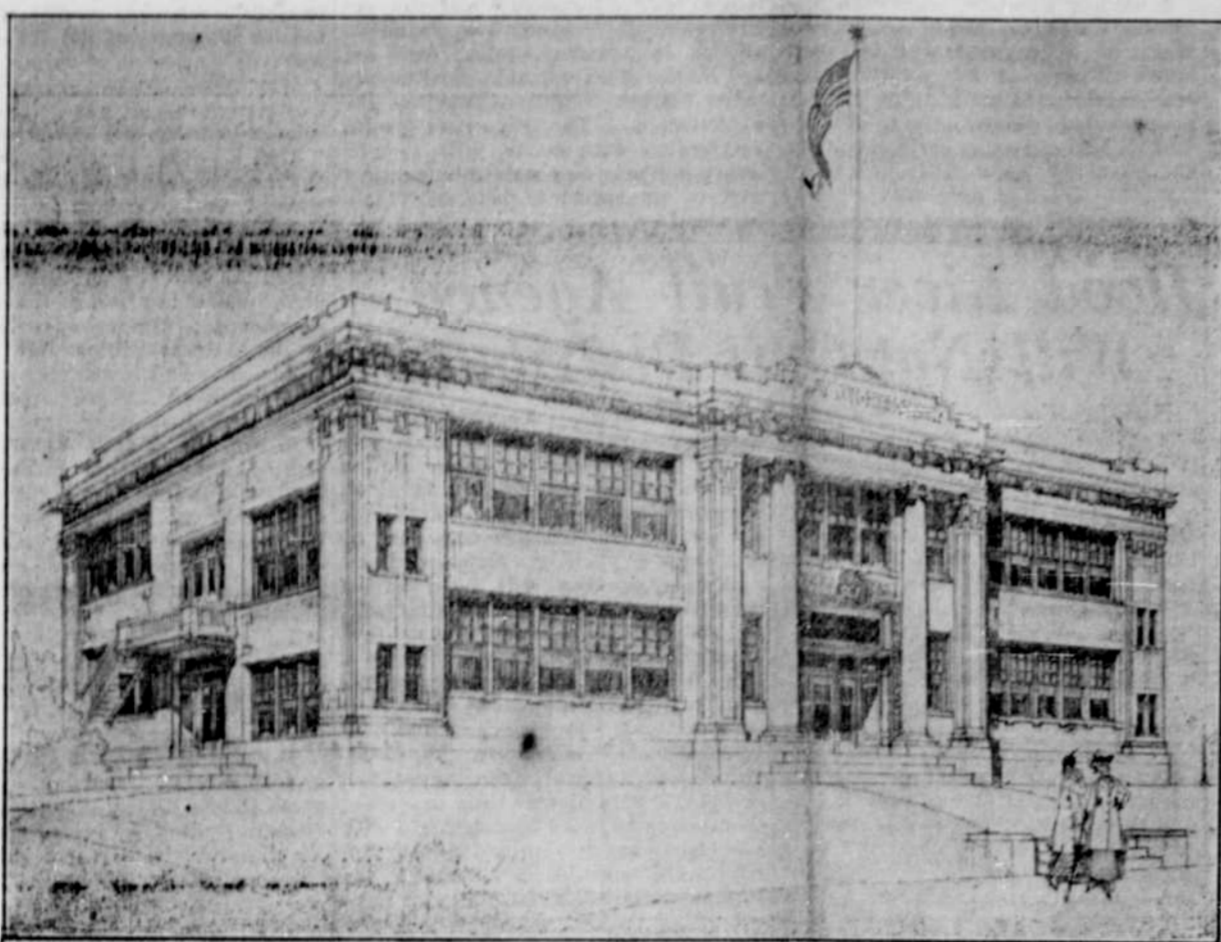

The accident was caused by the horse Mrs. Miller was riding becoming scared at a n auto and a motorcycle which tried to pass her.

She was taken to the hotel in Turner, where she is at the present time. There are hopes for her recovery if complications do not set in later.

DRUG STORE WANTS

A PROPOSED PLAN FOR STAYTON HIGH SCHOOL--ESTIMATED COST, \$13,500

JEFFERSON HIGH SCHOOL PLAYS TOMORROW NIGHT

The Jefferson high school lads and lassies will be in Stayton in force tomorrow night, Friday, April 2, to give their three-act farce-comedy, "A Strenuous Life". All who possibly can should go and hear the youngsters, not only because they have a good show, but you will be spending your money in a good cause and the Jefferson people turned out well when our dramatic club took their play to that place last spring. One good turn deserves another.

Tomorrow night at the Star Theatre. Admission 25cents. (adv)

Mr. and Mrs. C. M. Tyson of Sublimity were Stayton visitors Saturday.

SCHOOL WILL HAVE A SPECIAL PROGRAM

There will be a special program at the public school on Friday, April 2, in commemoration of the surrender of Lee's army at Appomattox.

The members of the Grand Army of the Republic will be present, and all others are invited. The program will consist of readings, recitations, songs, etc.

JEFFERSON HIGH PLAYS BALL HERE ON FRIDAY

The Jefferson high school will play their first game with the local high school bunch at the school campus tomorrow, Friday, April 2. Game called at 2:30 p. m. Admission, free.

SUBLIMITY MAN WRITES ABOUT GOOD ROADS

Sublimity, Ore., Mar. 30, 1915
Editor Stayton Mail

Dear Sir:— I agree with the Linn County Reader and since reading his letter thought I would write to the Mail too.

On the road that I live which is about six miles long, we have been paying road taxes ten years and have less than a mile of rock road without dressing. On another road about the same length they have about two miles of rock. And on the Aumsville road it is about the same, while on the North Beaver Creek, part of the district where the leaders live, they have spent more money than the three above mentioned roads together. This year their committeemen want more than half of the road money again, but the other three do not want them to get the most every year, so they could not settle it by themselves and agreed to take the matter to the County Court. As much as I hear Judge Bushey told them to settle it peaceably, and at this writing I do not think it is settled yet.

We do not know who is going to be our road supervisor or how much money each road committeeman will get.

If we had a law in Oregon that would divide the road tax on the roads according to the amount of tax each road pays it would prevent a lot of trouble, and each road would get some work.

Before I close this letter I would like to say that I hear some of those that have good roads want the District divided so they will not have to help build up the roads they have neglected so long, and some that have good roads vote against road tax. If we do not get better road laws some roads never will be rocked and we can hardly pull through our mud roads in the winter.

A Sublimity Reader.

WILL HAVE SOCIAL

The Catholic Order of Foresters and the Ladies of the Altar Society will have a basket social at the Daisy Hall Monday night.

STAYTON WILL HAVE REGULAR BALL TEAM

A Stayton Ball Team has been organized, and the boys are limbering up for the first game which will be played soon.

The exact line-up has not yet been made, but the following have been named as tryouts:

Leo Rock, Manager; Jno. Thomas, captain; Dare Sloper, treasurer; Besides these the members will toe the mark something like this: Lester Smith, Nick Lulay, Loren Wilson, Luther Cole, Byron Robertson, Leo Klecker, Don McVickers, Walt Miller and Fitz Goodman.

The Ball Team is going to have a Big Dance (with the accent on the Big) at Beauchamp's Hall on Tuesday night, April 6, proceeds to go toward repairing the ball park. Dance tickets 75c. Everybody come and give the boys a boost.

It is a fact that we cannot get through the summer without a ball team, so we might just as well begin early. Boost!

Jos. Schwindt and wife of Jordan were in town trading Monday.

BIG VOTE EXPECTED OUT TODAY ON THE HIGH SCHOOL BOND ELECTION

Today is the day that decides the fate of Stayton's new high school building, and everyone interested is on the tiptoe of excitement wondering whether the bonds will carry or be defeated.

An interview with several prominent business men of the city reveals the fact that the general opinion is that the bonds will carry easily if the people in favor of them get out and vote.

Naturally the question arises, who is a voter? Below we print from the Oregon School Law the exact definition of a voter at a school bond election:

Any citizen of this State, male or female, who is twenty-one years of age and has resided in the district thirty days immediately preceding the meeting or election, and has property in the district, as shown by the last county assessment, and not assessed by the sheriff, on which he or she is liable or subject to pay a tax, shall be entitled to vote at any school meeting or election in said district; provided, that, for

the purposes of this section, any man who has declared his intention to become a citizen of the United State, and has resided in the State for six months immediately preceding the meeting or election where he proposes to vote, shall be considered a citizen of this State; provided, further, that any person shall be deemed to have complied with the property qualifications imposed by this section who presents to the directors or judges of election satisfactory evidence that he or she has shares, or ownership in any corporation, firm, or co-partnership which has property in the district, as shown by the last county assessment, and not assessed by the sheriff, on which such corporation, firm, or co-partnership pays a tax, even though his or her individual name does not appear upon the tax roll.

The voting is to be done at the City Hall and the polls are open from 2 to 7 p. m.

STAYTON YOUNG LADY WEDS ENGINEER

Miss Sadie Staab of Stayton and Frank Gansle of Peoria, Oregon were married in Salem yesterday, March 31, by Rev. R. N. Anderson, pastor of the First M. E. church of that city. The ceremony was performed in the parsonage, only a few of the immediate relatives being present.

The bride is the eldest daughter of Mr. and Mrs. Chas. Staab of this city, and is a popular young lady, who will be missed among the young people of the town.

The groom is the engineer of a large saw mill plant near Peoria, Oregon, and is well liked by both his employers and fellow workmen.

The happy pair will leave tomorrow for a wedding trip to Portland and other places, after which they will be at
