RECORD OF THE PAST

No Stronger Evidence Can be Had in Stayton.

Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Anyone with a bad back; any reader suffering from urinary troubles, from kidney ills, should find comforting words in the following statement.

P. W. Brown, farmer, 1309 State St., Salem Ore., says: "Three years of mill-wright work in a damp atmosphere disordered my kidneys. I often had lameness and soreness across the small of my back. When having an attack, I heard of Doan's Kidney Pills and got a supply. They removed the backache and soreness, together with other symptoms of kidney trouble." (Statement given January 31st, 1906.)

OVER SIX YEARS LATER, Mr. Brown said: "I use Doan's Kidney Pills when I have any symptoms of kidney complaint and they never fail to give relief. Another in the family has also used Doan's Kidney Pills with good results for kidney weakness."

I'M MIGHTY GLAD YOU KNOW THE SIGN JUDGE

THE FREE MASON SIGNALS THE GOOD JUDGE

THE users of "Right-Cut," the Real Tobacco Chew would buy it if it cost twice the money, and it would cost less to chew it even then.

"Right-Cut" is real tobacco—mellow sappy, age-ripened leaf, seasoned and sweetened just enough.

You get the real tobacco taste that men find so satisfying. Get a pouch from your dealer.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is *The Real Tobacco Chew*. That's why it costs less in the end.

It is a ready chew, cut fine and short shred so that you won't have to grind on it with your teeth. Grinding on ordinary sandied tobacco makes you spit too much.

One small chew takes the place of two big chews of the old kind.
