**A CONFIRMED STATEMENT**

**Evidence Stayton Readers Will Appreciate.**

Doan's Kidney Pills have done splendid work in this locality.

Have merited the unstinted praise they have received.

Here's evidence of their value that none can doubt.

It's testimony from this locality twice-told and well confirmed.

Such endorsements are unique in the annals of medicine.

Should convince the most skeptical Stayton reader.

Mrs. M. Custer, 615 E. Third St., Albany, Ore., says: "A cold which settled in my kidneys brought on an acute attack of kidney trouble. I was so weak and lame that I could scarcely move. The kidney secretions bothered me at night. Doan's Kidney Pills cured me." (Statement given February 6th 1905).

OVER SIX YEARS LATER, Mrs. Custer says: "I used Doan's Kidney Pills occasionally and they never fail to give good results.

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Custer had. Foster-Milburn Co., Props., Buffalo, N. Y.

THE GOOD JUDGE FINDS THE LONELY WOODSMAN

**AFTER** all your years of chewing—here is the *Real Tobacco Chew*, "Right-Cut"!

It's a new blend—richer, more sappy and twice as satisfying as the old kind. Seasoned and sweetened just enough to give you all the pure tobacco taste.

Cut a new way—so a small chew gives you comfort without grinding. And it lasts longer.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is *The Real Tobacco Chew*. That's why it costs less in the end.

It is a ready chew, cut fine and short shred so that you won't have to grind on it with your teeth. Grinding ordinary candied tobacco makes you spit too much.

The taste of pure, rich tobacco does not need to be covered up with molasses and licorice. Notice how the salt brings out the rich tobacco taste in "Right-Cut."

One small chew takes the place of two big chews of the old kind.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J.
